Dear Sir,

As per our telephonic conversation, the Schaeffler Team will visit AIT tomorrow at 11.30 am. I will confirm the team member names to you by today afternoon.

We would like to have the following audience for this interaction:

1. Mechanical engineering students (FE to BE and PG / Research scholars as well)
2. Faculty from the mechanical engineering department
3. HODs of all the departments
4. Students from other departments who are interested in this event

We would require an auditorium and a projector for our presentation.

Please let me know in case of any doubts.

With Regards,

Ms. Priyanka Deo

CAMPUS TO CORPORATE WORKSHOP

ON 15 MAR 2018

o/c

1. Lakshya Professionals (a team of AIT alumni working with HSBC), have designed a very specific and efficient training program for third year students.
2. About the Workshop. This session is intended to give a good exposure to the student community to a professional corporate environment, the opportunities, challenges, and most importantly the major shift in expectations that the working environment will place upon them. The intent is to motivate the students standing at the threshold of industry to develop and enhance the attitudes and soft skills that will empower them to successfully navigate and excel in their professional careers. This session will also aim to capture questions and concerns about industry careers, experience and challenges, which will be answered in depth in the full workshop.
3. Course contents and other details are uploaded on aitplacements.com.
4. This workshop is for 40 students, 10 from each branch. All HODs are requested to share 10 names to T&P Cell.
5. All the 40 nominated students are required to be seated in Manekshaw Hall by 9.00 a.m on ~~15~~ Mar 2018. Workshop will be conducted in M Hall from 9 a.m to 1.30 p.m and in BC Joshi Hall from 2.30 p.m.
