(NAAC 'A' Grade & NBA Accredited)

THE PROGRAMME

Department of Information Technology of AIT is organizing one week Faculty Development program on "Probability and Statistics for Machine Learning and Deep Learning" from 5th December 2017 to 9th December 2017. In this FDP, the most effective machine learning techniques will be discussed. The participants will gain the "know-how" needed to apply these well-known techniques to new problems. The various sessions will provide a broad introduction to machine learning and deep learning. Application of various learning algorithms will be discussed through case studies and problem solving methods.

ABOUT DEPARTMENT

The Department of Information Technology was established in the year 2001 with an intake of 60 students. The department believes in shaping the students in such a manner that they are readily absorbed by the corporate and other professional organisations. The department is pioneer in establishing CSI and NPTEL students chapter as well as IEEE student branch.

RESOURCE PERSONS

- 1) Dr. U. V. Kulkarni, SGGSI&ET, Nanded
- 2) Dr. Sourav Sen Gupta, Indian Statistical Institute, Kolkata
- 3) Dr. Aditya Abhyankar, Faculty of Technology, SPPU
- 4) Sanjay Deshpande, Managing Partner & Chief Scientist, FORTY TWO LABS

ABOUT AWES

Army Welfare Education Society is an Indian Army governed organisation which manages and ensures good quality and affordable education facilities to Indian Army wards. Established in 1983, AWES has grown and now running over 128 Army Public Schools and 239 Army Pre-primary schools and 11 institutions of higher education across India.

WHO CAN ATTEND

Research scholars, industry personnel and faculty members from various Engineering Colleges from all departments are eligible to attend the programme.

CHIEF PATRON

Brig.(Retd) Abhay A. Bhat, Director, AIT

ABOUT AIT

AIT was founded in 1994, as a result of the vision, and untiring efforts of Late Gen B.C. Joshi PVSM, AVSM, ADC for the children of all ranks of the Indian Army. The beautiful campus, serene ambience and architectural splendor, state of the art infrastructure, all provide vital ingredient for a delectable academic environment for development of total quality engineers. AIT is ranked at No. 77 by NIRF across India. AIT has won best college award in technical category for year 2016-17 by SPPU. AIT runs BE courses in Comp. Engg., IT, Mech., E&TC and PG course in Machine Design. All courses are affiliated to SPPU.

SESSIONS

- 1) Geometry of Multivariate Data and Primary Objectives of Machine Learning
- 2) Fundamentals of Linear Regression - Optimization, Estimation and Prediction
- 3) Hands-on Session - Basics of Linear Models for Regression and Classification
- 4) Partition and Coloring - Tree-based Models for Regression and Classification
- 5) Un-Supervised Learning - Clustering, Transformation and Embedding of Data
- 6) Hands-on Session - Basics of Tree-based Models and Un-Supervised Learning
- 7) Towards Kernel Development using Machine Learning
- 8) Image Processing using Deep Learning
- 9) Foundations of AI - Business opportunities and Applications
- 10) Basics of Neural Network
- 11) Deep Learning - Introduction to Convolutional Neural Network

**Army Institute of Technology ,Pune is organizing One Week
State Level Faculty Development Program on “Probabilistic and
Statistics for Machine Learning and Deep Learning” at its
campus from 5th Dec to 9th Dec 2017**

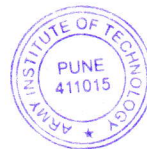

Information Technology department of Army Institute of Technology is organizing the One week State level Faculty Development Program on “Probability and Statistics for Machine learning and Deep Learning” at its campus in Pune from 5th December to 9th December 2017 under Quality Improvement Program of SPPU.

This FDP will act as a unique platform for sharing innovative ideas, approaches, and development of research projects in the area of Machine and Deep learning. The FDP aims at facilitating interaction between researchers, academicians and industry professionals across the country. The Participants will gain the “Know-How” needed to apply these well known techniques to new problems using specific mathematical model. The hands-on sessions will enhance the understanding of these techniques.

The **Chief guest** of the FDP is **Honorable Dr. Nitin Karmalkar**, Vice-Chancellor of the Savitribai Phule Pune University along with the **Maj Gen Jalaj Bhola**, Chairman, AIT Pune, CSO, HQ Southern Command.

This FDP is being hosted by AIT under the guidance of Director Brig Abhay A Bhat (Retd), and Principal Dr. B P Patil.

Dr (Mrs) Sangeeta Jadhav, HOD of Information Technology Department is the Convener of the Program.

Think to Design,
Design for People

Profile of Mr. Gautam Rege

Gautam Rege is the co-founder of Josh Software, an 8 year old company that is one of the leaders in Ruby On Rails in India. He has 15 years of experience in the Software Industry, has spoken at many Indian and International conferences, has written two books about Ruby, organises Ruby Conf India, Gophercon India and still finds time to code everyday.

Josh Software specialises in new and emerging technologies and Gautam's latest passion is Go, an open-source system level language that he believes will change the software industry. In his spare time, he plays football and basketball and always looks to fuel his hunger for adventure with crazy things like skydiving and bungee jumping!

Faculty Orientation Workshop

On

TE (E&TC/Elex) Revised Syllabus 2015 Course

Subject: "Information Theory, Coding and Communication Networks"

under the aegis of

BoS Electronics, University of Pune

14 December to 16 December 2017

Report

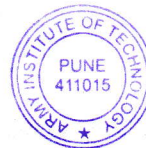

Department of Electronics and Telecommunication organized Faculty Orientation Workshop on TE (E&TC) Revised Syllabus 2015 Course under the aegis of BoS Electronics, University of Pune during 14th December to 16th December, 2017. The objective of this workshop was to orient all the faculty towards the revised syllabus of TE (E&TC/Elex) and to bring in uniformity in teaching across all the colleges under the University of Pune. Entire syllabus was covered by expert teachers in concerned subjects. All the six units were discussed in depth in these three days with very lively and interactive sessions.

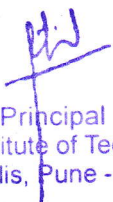

It was rightly initiated and encouraged by Prof. Dr. G K Kharate, Dean Faculty of Engineering, Prof. Dr. D S Bormane and all BoS members. AIT and department of Electronics and Telecommunication would like to thank them for giving an opportunity to host this workshop at AIT and their encouragement throughout.

A wide publicity was given by sending emails to all engineering colleges under Savitribai Phule Pune University, Pune. To our encouragement, many participants have shown interest in our workshop and 55 faculty members have registered for the workshop.

The workshop was conducted in two sessions of three hours each day for three days. Prof. Dr. Vandana Rohokale, was kind enough to accept our invitation and delivered a lecture during first session, first day on Unit I: Information Theory and Source Coding, afternoon's session conducted by Dr Suvarna Patil, BVCOEW, Pune on Unit III : Cyclic Codes.

Second day's morning session was handled by Dr G R Patil, AIT Pune on Unit II: Information Capacity and Channel Coding Discussion on Practical/Project Based Approach. Second session, Dr Sharda Ohatkar, Cummins COEW, Pune had delivered lecture on Unit IV: BCH and Convolutional Codes.

Dighi Hillis, Pune - 411015

Third Day Dr. G R Patil had given an overview of Practical/Project Based Approach and Inter, Prof. Milind Tadwalkar, JSCOE, Pune taught Unit V & VI of Data Communication and Physical Layer Data Link Layer.

All the resource persons are highly appreciated for their interactive and valued inputs and also for their dedication. On behalf of AIT, Board of studies and on participants' behalf, we are grateful to all these resource persons for sparing their valuable time and energy. Their contribution was invaluable. They deserve a great applaud from all of us. Teaching methodology, Unit wise notes and lecture notes, presentation were also prepared and circulated to all the participants. Dr. Bormane D S has also addressed the participants and expressed the importance of subject and teaching. The feedback from all the participants has been excellent.

By means of this report, we would like to place on record our appreciation and gratitude towards Management, Director Brig Abhay A Bhat (Retd), Joint Director Col KE Vijayan (Retd), Principal Dr. B P Patil, for their continuous support and encouragement in conducting this workshop. Coordinator is also grateful to all department colleagues for their untiring efforts in making this workshop a grand success.

We look forward to continuous cooperation and encouragement for all future endeavors.
