Result Analysis and Action Taken Report

AY 2018-19

Introduction:

Our students are the most valuable asset of our institute. The institute is dedicated to producing well-rounded engineering graduates who will become future leaders in technology and entrepreneurship, committed to innovation, sustainability, ethical practices, and advancing society with cutting-edge solutions. The Student Result Analysis Report is a comprehensive document that provides a detailed assessment of student performance data. This report serves as a link between raw data and actionable insights, enabling educators and administrators to make informed decisions. Results analysis system is mainly used to maintain the information about student marks in various semesters and batches. It also helps to understand how students are learning, and how they have performed in each area of the programme. This report can be used to identify areas of strength and weakness of a student and also provide insights to the students to focus on areas that need more attention. It also reveals the quality of teaching and the areas to be focused. The results analysis also helps the college management to understand the comparative performance of each batch over the past years. The detailed analysis of examination results was started from 2018 onwards. Immediately after the publication of end semester results by the Savitribai Phule Pune University (SPPU), the result analysis committee compiles the result in excel format. Analysis is done using the excel templates. The data is visualized to represent in graphical formats like pie charts, bar charts, column graphs etc. Reports are prepared and send to HoD/ Programme Coordinator for review and corrective actions. The reports are also discussed in the IQAC and HoD meetings. These reports offer the Head of the Department valuable insights to take effective steps towards improving the results and outcomes of the programs.

Comprehensive result analysis:

Detailed analysis of exam results is needed for effective corrective actions. A poor exam result may be due to several issues which include:

- a) Difficulty of students in understanding complex subjects.
- b) Students' preparedness and efforts.
- c) Teaching methodology and the effectiveness of the instructor.
- d) Insufficient attention in the formulation of question papers.
- e) Other factors such as exam cancellations or postponements.
- f) Poor teacher performance.
- g) Poor student performance to name a few.

In-depth data analysis and correct interpretation are vital for identifying the underlying reasons.

Army Institute Of Technology (AIT), Dighi Camp, Pune - 15.

Recognised by AICTE and DTE Maharashtra and affiliated to Savitribai Phule Pune University

Every year a team is appointed at department level to analyse the result of their respective department. This team submits the report to IQAC office for further action.

A committee is appointed at the institute level to access and analyse the outcomes of the 2018-19 academic year and prepare a comprehensive report.

This committee has conducted the result analysis for the following programs for the academic year 2018-19:

1. **Electronics and Telecommunication Engineering**
2. **Computer Science**
3. **Mechanical Engineering**
4. **Information Technology**
5. **Applied Science and General Engineering**

The analysis includes Student Performance Metrics:

1. **Academic performance**
2. **Pass Percentage**
3. **Overall result analysis.**

Analysis Report of AY 2018-19

Observational Report Regarding Overall Result Analysis of Second Year, Third Year and Final Year Students:

Second Year Report:

Total number of students enrolled for Semester IV (Second Year) for AY 2018-19 were 306 out of which 226 students cleared the exam with no backlog. 74 students passed with ATKT. The total number of students who progressed to third year were 300. Hence the pass percentage was 98.03%

- 173 (76.55%) students cleared with **DISTINCTION**.

- 44 (19.47%) student scored **1st Class**

- 9 (3.98%) student scored **Higher 2nd Class**

6 (1.96%) student failed in Second year and not progressed to Third year.

Third Year Report:

Total number of students enrolled for Semester VI (Third Year) for AY 2018-19 were 361 out of which 338 students cleared the exam with no backlog. 20 students passed with ATKT. The total number of students who progressed to third year were 358. Hence the pass percentage was **99.16%**.

- 249 (73.67%) students cleared with **DISTINCTION**.

- 75 (22.19%) student scored **1st Class**

- 13 (3.85%) student scored **Higher 2nd Class**

- 1 (0.30%) student scored **2nd Class**

3 (0.83%) student failed in Second year and not progressed to final year.

Army Institute Of Technology (AIT), Dighi Camp, Pune - 15.
