Projects Initiated	:	1

Sr. No	Name of Event	Details of Event	No. of Participants	Photo of Event
1	Genesis GameJam	Genesis was a nation wide game jam which was part of Solution22.	101	

2	AIT Virtual Tour	AIT Virtual Tour is a project which aims to provide a online tour of campus using 3D models of campus buildings.	-NA-	 <p>The image displays three distinct 3D architectural models of campus buildings, arranged vertically. The top model is a complex, multi-winged structure with a central courtyard area. The middle model shows a long, low-profile building with a prominent entrance and a series of windows. The bottom model is a large, open-plan structure with a central octagonal pavilion and several smaller, square structures along the perimeter.</p>
