

Magazine Board (2019-20)

The academic year 2019-20 has been yet another session full of glories and achievements for the Magazine Board, which wouldn't have been possible without the untiring support and guidance of the teachers in charge, Dr Sanjiv M Sangiri and Prof Nithya Bhaskar and the student secretaries, Aakarsh Dwivedi and Pragati Patwal.

The year started with students from all the branches participating in the Cultural Aakriti with great gusto and enthusiasm. The mini-magazines made by the students were a work of exemplary art and creativity, the article writing competition invoked the hidden authors inside everyone, the photographs clicked by students transpired through space and time to make us live the moments.

The greatest highlight of the year, however, was ReVerse 5.0; the annual poetry slam competition in which students from different colleges and working professionals alike, participated and enthralled us with their poetry. The event witnessed performances from the amazing yet humble judges, Mr Daaniyal and Ms Foram Shah, founders of India's biggest slam poetry platform, Spill Poetry, in an aesthetic backdrop, filling the air with the smell of coffee and pages.

This year also saw the introduction of Glimpses, the annual magazine for AWES, which featured many events and achievements of the college. Nerdicon, the pop-culture quiz was held in February '20 during Amethyst which turned out to be a great hit among AITians and others alike.
