Magazine Board

Magazine Board (2020-21)

The academic year 2020-21 has been yet another session full of glories and achievements for the board, which wouldn't have been possible without the untiring support and guidance of the teachers in charge, Dr Sanjiv M Sansgiri and Prof Nithya Bhaskar and the student secretaries, Anjali Sharma and Abhilash Trivedi.

The year started with FE participating in the Talent Hunt with a great gusto and enthusiasm. It was followed by a number of events like 'Stack-em up', 'What if' and 'Treasure Hunt' held in November and 'Pandora' a blog-writing event held in the month of December. The board also conducted 'Nerdicon' – Pop culture quiz and comic strip competition during the annual cultural fest 'Amethyst'. Such events help the hidden talent bearers to catch a glimpse of their own potential. The greatest hurdle of this year was to conduct all the events on online platforms amid the pandemic. Nevertheless, the active response and cooperation of all the AITians made each and every event successful.

Apart from the Yearly magazine 'Srijna' the board also spearheaded 'Glimpses' and the monthly magazine 'Silience' for the year 2021.

1. Silience	21
