AY 2017-18

VISION

AIT ENGINEERING AND TECHNICAL BOARD aspires to offer the best opportunity to participate and perform in the most positive spirited tech related competitions as well to provide opportunities to students to engage and explore other expertises and experienced personalities which are relevant to a large section of the college going students.

The board delivers information regarding every happening in the gallery of engineering world that is competition, seminars and conferences taking place, and become a place of learning for all those who are it's part as well as who aren't.

MISSION

Our mission statement is, every great event starts with organized details while executing them brilliantly! AIT Engineering and Technical Board strives to offer a variety of options to participate and perform and make your time devotion worth it and working ethically to enhance the professionalism in organising our events and profitability of the individuals that they gain through participation.
