

Ankit Singh BE(IT) has won Global Student Entrepreneur Award 2016 in India. So he will be able to participate in Finals at Bangkok.

The Entrepreneurs' Organization's Global Student Entrepreneur Awards (GSEA) is the premier global competition for student entrepreneurs who actively run a business. EO GSEA nominees compete in qualifying competitions for the chance to advance to the Global Finals, held in May 2016 in Bangkok, Thailand. With more than 1,700 competitors from more than 30 countries,
EO GSEA is an exclusive opportunity for student entrepreneurs to make connections, find resources, and grow their businesses.
