	<ul style="list-style-type: none">➤ Dr. G. R. Patil said that NEP focusses on formative assessment and the pattern would be 50:50 for progressive assessment and end sem examination. Dr. G.R.Patil said that the internal evaluation pattern would be decided by individual faculty.➤ Dr. Y. Ravinder said that PICT plans to follow a 20-20-60 pattern, for internal, Insem and Endsem examination. He mentioned that the pattern followed in 24-25 is 30-70 for Insem-Endsem like SPPU.➤ Dr. B.P.Patil mentioned that the policy for attendance is that the student can be detained in a particular subject if attendance is very low. Dr. Y. Ravinder commented that attendance in PICT has improved in autonomy.	
3.	<p><u>Agenda 3: NBA Compliance</u></p> <ul style="list-style-type: none">➤ Dr. G. R. Patil said that the department has submitted the NBA Compliance report and that the Committee would be coming soon.➤ Dr. G. R. Patil said that the NBA committee has suggested midifications in Criteria 1, 3 and 5.➤ Some modifications have been made in Criteria 1, and PEOs have been modified.➤ In Criteria 3, the CO-PO mapping technique has been modified.➤ In Criteria 5, Research publications have been improved.
