STANDARD OPERATING PROCEDURE FOR ALL
VALUE ADDED COURSES

ARMY INSTITUTE OF TECHNOLOGY
STANDARD OPERATING PROCEDURE FOR VALUE ADDED COURSES

Preamble

1. Value added courses (VAC) are the courses/workshops/activities which add value for personal & professional career development of student. These are courses over and above regular courses in the curriculum. These courses are required for students to acquire certain skills and practical knowledge which otherwise cannot be acquired through regular curriculum. These courses are useful to bridge gap between Course Outcomes (COs) and Program Outcomes (POs). The ultimate aim of these courses is to prepare students for good placement or higher studies or entrepreneurship career and bridge the gap between theoretical knowledge and industry requirement.

Aim

2. Aims & objectives of this SOP are :-
- a) To lay down procedure to conduct and monitor Value Added Courses.
 - b) To provide guidelines to charge amount of fees under VAC Fees head.
 - c) To lay down conditions for refund of the fees charged against VAC Fees head.

Procedure to Conduct & Monitor VAC

3. Each department will have a 3 member VAC committee with one coordinator and two members to monitor the VAC conducted for or undertaken by the students. One of the member of this committee will be departmental placement coordinator and other member will be in-charge of NBA criteria 2. This committee will prepare a plan for Value Added Courses to be undertaken by students based on feedback from TPO, Faculty members, Students, Alumni and industries. The plan should be ready before 31 January every year which will be executed from 1 July in that year. This will be required to decide the fees to be charged under VAC head. This plan will also be presented in IQAC meeting in the month of February every year.

4. Following activities can be planned under VAC:
- a) Relevant Online/MOOC courses from NPTEL/Swayam/Coursera etc. These courses may be chargeable or free but should have certification. This can also include prescribed audit courses in the syllabus.

year and if the student fulfills the minimum requirements for each year till final year he/she will become eligible for refund otherwise the VAC fees of the corresponding year will not be refunded. The non-refunded amount will be deposited in AIT Innovation Seed fund.

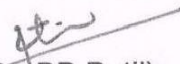

Conclusion

12. The SOP for value added course will help in streamlining the conduct of value added courses and bringing uniformity in their conduct all across the departments.

- b) Relevant offline course designed by department which can be conducted by renowned agency or trainer. This should have proper schedule of course delivery and progressive assessment.
- c) Relevant hands-on session or workshop or Boot camp or similar activity which can be conducted by renowned agency or trainer.
- d) Amount to be charged for Professional Society membership such as ISF/CSI/IE etc. can be deducted from VAC Fees.

5. In case the VAC is to be conducted by agency or trainer, the same should be advertised for call for quotation and the 3 member VAC committee along with one member from other department will finalize the vendor based on technical evaluation and price negotiation.

6. At the beginning of each year (Preferably on 1 June), the VAC committee will communicate to the students and Principal the minimum requirement under VAC for refund of VAC fees at the end of the year.

Course Fees and Calculation of Amount to be charged for various years

7. The 3 member VAC committee will decide each course fees and amount to be charged to students every year under the VAC fees head based on feedback received from various stakeholders. The VAC fees will be applicable to FE, SE and TE students only. The minimum amount charged will be Rs. 3000/- and Maximum amount will be Rs. 5000/-.

Refund Policy

8. Fees charged against VAC conducted by the department (e.g. Para 4(b), 4(c), 4(d)) in which case payment is done by college to the agency or trained or professional society will not be refundable. If the student is required to attend a VAC conducted by department, and he/she remains absent, the amount charged will not be refunded.

9. The balance VAC fees of the student is refundable only if the student has fulfilled the minimum requirement stated in para 6 by undergoing a prescribed course on his/her own. The student is required to submit the certificate of completion of the course. The amount will be refunded at the end of every year.

10. The MOOC/Online courses which are eligible for refund will be approved by VAC committee of the department after due deliberations with the HoD.

Carry Forward Policy

11. In case a student is not able to fulfill the minimum requirement for refund in FE, SE & TE, the amount may be carried forward till his/her final

Value Added Course (VAC) on Data Science

1. Department of Mechanical Engineering, AIT is planning to arrange a course on Data Science for TE Mechanical students as part of Value Added Course (VAC) strategy.
2. Thorough market survey was carried out for competent trainers/agencies for the conduction of industry compatible courses in Data Science. One of such agencies M/s Borgward Company was called for demo to our students but was disapproved by our students.
3. The proposals received from different agencies are placed opposite for your perusal
 - a. Mr Prabhat Kumar (AIT Alumnus)
 - b. Mr Tushar kute
 - c. Gradu DATA represented by Mr Shripad Deshpande
4. Mr Prabhat kumar is not available on week days and has proposed eight hours each on every Saturday and Sunday which is not acceptable as well as suitable to our students.
5. Mr Tushar kute is pre are occupied with some assignments for next two months even in online mode and as we need to initiate this VAC as early as possible. He is also not suitable for AIT at this juncture of time
6. Mr Shripad Deshpande of Gradu DATA is willing to conduct the course as per availability of our students any time after the college hours. He is ready to conduct the course from Monday to Friday i.e. five days a week. Two hours per day.
7. In verbal negotiations with Mr Shirpad Deshpande, Initially proposal fees was Rs 40,000 per students in his coaching Centre
8. Considering the uniqueness of AIT he has accepted to reduce his fees to Rs 5000/- per students if all students are available. The total charge to payed to the vendor will be Rs 2,75,000/-. After deduction of the TDS i.e 10% the total amount to be payed will 2,47,500/-.
9. The specially designed format for AIT DATA science course will be 40 days, 2 hours per day from Monday to Friday at AIT with infrastructure provided by us entirely.
10. Teaching sessions will commence from March 27, 2023 if approval is granted.
11. All students from TE Mechanical will be undergoing this course.

12. Payment will be released immediately after successful completion of the course and certification.

13. Put up for your perusal and approval please for the conduction of the course

- Ms Nithya Baskar is conducting Practical's & Tutorial of, 1. Business Communication Skills & 2. Humanity & Social Sciences ^(not related to softskill) at COMP ENGG DEPT. Total work load of the same is 6 Hrs (Prac) x 2 Div = 12 Hr + 3 Hrs (Tutorial) x 2 Divisions = 6 Hrs, Total = 18 Hrs / Week.
- SE IT has subject of 'Soft Skill Lab', load of this subject is 6 Hrs (Practicals) per week. We have value added course 'softskill' for FE students, Load of same is 6 Hrs (Lectures). Total = 12 Hrs (Remaining load)
- Therefore we require to appoint a new faculty to take softskill load of IT (SE) & FE for year 2022-23.
- Put up for your perusal & approval please.

- Principal - Semester II load is 6 Hr Pract ^{19/08/2022} 2 Hr Th. (8 Hrs) X 2 Divisions of E&TC (SE) = 16 Hrs + 6 Hrs of FE = 22 Hrs (Total)
- Principal ^{22/08/2022} Need to take faculty on CHB.
- JD -

What is the total load of Ms Nithya B in one semester. Can it be staggered?

Principal

At present her load (in Sem-2) will be 18 + 6 = 24 hrs [SE (Comp) + SE (IT)]

JD

^{22/08/2022} Very low load. Class can be staggered.

- All above points are discussed with principal sir & he has made corrections in minute sheet 01.
- Since last year we conduct this course from ASGE Departmental Budget. Because not many students are interezed & able to complete the course.
- This course is for those who are interested & clear the test after intial '3' introductory lectures.
- Therefore it will not come in formal value added courses.
- Put up for your perusal & approval pls.

To: HOD ASGE <hodasge@aitpune.edu.in>

Cc: CopperCloud Iotech <iot@coppercloud.in>

Dear ma'am,

1. Please ref CopperCloud Proposal for conduct of Embedded Technology Training - (for Project Based Learning) for FE ASGE at AIT dated 14 Feb 21.

2. Detailed plan to conduct the program is proposed as under:

- (a) Total No of students (approximately 130) to be divided into 3 batches - Batches 1, 2 and 3
- (b) Program will be conducted in Online mode through 12 hours of Instructor led training for each batch
- (c) Training will be conducted in 6 sets of 2-hour sessions for each batch. It would be spread over 2 weeks in the following manner:

- (i) Saturdays all three batches in turn for 2 hours session each-

Batch 1 - 1000 to 1200 hrs

Batch 2 - 1400 to 1600 hrs

Batch 3 - 1700 to 1900 hrs

- (ii) Sundays all 3 batches in similar manner as on Saturdays.

- (iii) 2 hours session on following weekdays as under:

Batch 1 - Tues 1630 to 1830 hrs

Batch 2 - Wed 1630 to 1830 hrs

Batch 3 - Thurs 1630 to 1830 hrs.

- (iv) Program as per (i), (ii) & (iii) to be repeated for next successive week to complete 12 hours of instructor-led training for all three batches.

Follow up in Classroom Mode:

We propose to conduct a follow up session of 2 hours for each batch in classroom mode whenever students are available in campus. Starter Kits supplied by CopperCloud will be used for these hands-on sessions.

*** CopperCloud will be pleased to commence execution from Sat 06 Mar 21***

Can you please confirm that this schedule is suitable.

Thanks,

Abhijeet Deogirikaar

FE Training for PBL on Embedded Tech - Detailed Schedule

abhijeet deogirikaar <abhijeetdeogirikaar@gmail.com>

Sun 2/21/2021 9:01 AM

To: HOD ASGE <hodasge@aitpune.edu.in>

Cc: CopperCloud Iotech <iot@coppercloud.in>

Dear ma'am,

1. Please ref CopperCloud Proposal for conduct of Embedded Technology Training - (for Project Based Learning) for FE ASGE at AIT dated 14 Feb 21.

2. Detailed plan to conduct the program is proposed as under:

- (a) Total No of students (approximately 130) to be divided into 3 batches - Batches 1, 2 and 3
- (b) Program will be conducted in Online mode through 12 hours of Instructor led training for each batch
- (c) Training will be conducted in 6 sets of 2-hour sessions for each batch. It would be spread over 2 weeks in the following manner:

- (i) Saturdays all three batches in turn for 2 hours session each-

Batch 1 - 1000 to 1200 hrs

Batch 2 - 1400 to 1600 hrs

Batch 3 - 1700 to 1900 hrs

- (ii) Sundays all 3 batches in similar manner as on Saturdays.

- (iii) 2 hours session on following weekdays as under:

Batch 1 - Tues 1630 to 1830 hrs

Batch 2 - Wed 1630 to 1830 hrs

Batch 3 - Thurs 1630 to 1830 hrs.

- (iv) Program as per (i), (ii) & (iii) to be repeated for next successive week to complete 12 hours of instructor-led training for all three batches.

Follow up in Classroom Mode:

We propose to conduct a follow up session of 2 hours for each batch in classroom mode whenever students are available in campus. Starter Kits supplied by CopperCloud will be used for these hands-on sessions.

*** CopperCloud will be pleased to commence execution from Sat 06 Mar 21***

Can you please confirm that this schedule is suitable.

Thanks,

Abhijeet Deogirikaar
Founder & CEO, CopperCloud
