SUBJECT: COMPUTER NETWORK-ELECTIVE-I

List of Laboratory Experiments

NOTE: All experiments should be implemented using Open-Source Tools: Wireshark, Packet Tracer and C / C++

Sr. #	Title of the Experiment
01	[illegible]dy of Network devices and computers
02	[illegible]dy of Networking commands
03	Establish Peer to Peer Network
04	Implement a Lan Networking Switch
05	Using Packet Tracer configure Router using RIP
06	Observe & verify working of Address resolution Protocol
07	Observe & note the details of live traffic using Wireshark
08	Study of PING & TRACEROUTE using Wireshark
09	Configure FTP
10	Execute telnet DHCP
11	Socket Programming
12	Setting of IOT in Cisco Packet Tracer (Beyond Syllabus)

SUBJECT: JAVA Script ECTIVE-III

List of Laboratory Experiments

Sr.No	Title of the Experiment
01	Write a JavaScript program to calculate area of triangle, area of rectangle and area of circle
02	Write a JavaScript program to generate the multiplication table of a given number.
03	Write a JavaScript program to following operations on a given string. • Reverse string • Replace characters of a string. • String is Palindrome.
04	Write a JavaScript program to compare two strings using various methods.
05	Write a JavaScript program that will create a countdown timer.
06	Write a JavaScript program that will create an array and perform following operations • To remove specific element from the array. • Check if an array contains a specified value. • To empty an array
07	Write a JavaScript program that will append an object to an array and will check if an object is an array.
08	Write a JavaScript program to create a Home page of any website and change background color using • On mouse over event • On focus event
09	Create a student information Form to accept information like Name, Address, City, State Gender, Mobile Number, and email id. Perform validations for: • Correct Names • Mobile Names • Email I D.'s • If no entered value • Re-display for wrongly entered values with message • Congratulation and Welcome page upon successful entries

SUBJECT: DATA STRUCTURE

List of Laboratory Experiments

Sr. #	Title of the Experiment
01	Program to perform following String operations with and without pointers to arrays (without using the library functions): 1. Copy, 2. Compare, 3. Reverse 4. Substring 5. Palindrome
02	Program to implement Database Management using array of structures with following operations 1. Create, 2. Display, 3. Modify, 4. Append, 5. Search and 6. Sort.
03	Program to implement Stack and Queue using arrays.
04	Program on application of stack i.e. Evaluation of postfix expression using stack
05	Program to implement Singly Linked List with options as 1. Insert (at first, last and at given position) 2. Delete (at first, last and at given position) 3. Display 4. Display reverse
06	Program to implement Stack and Queue using linked list.
07	Program to implement Polynomial addition using linked list.
08	Program to implement Binary Search Tree with operations Create, search, and recursive traversal.
09	Program to implement Graph using adjacency Matrix with DFS & BFS traversal.
10	Implement Circular Linked List with various operations 1. Insert 2. Delete 3. Display 4. Display reverse
Content Beyond Syllabus	
01	Applying DTC Algorithm on 4X4 Image block

INTERNAL AUDIT FEEDBACK

Department: Department of Computer Engineering

Audit Date: 16-Nov-2022

Academic Audit Year: 2021-22 (Sem-II)

Comments by Internal Audit Committee

1. Very good internship ratio. All relevant documents are available in the department.
2. Very good teaching/lesson plan which includes mapping with CO's and BT Levels etc.
3. Training for Non-teaching staff (Linux Configuration) required
4. Content beyond syllabus and gap analysis documents very well maintained in the department.
5. All documents of events organized, FDP/Workshops attended are as per requirements and along with proof are available in the department.
6. The CO-PO attainment awareness needs to be improved.
7. The students are using virtual labs before coming to the actual practical's.

Rubrics

BE Computer (Project Work) (Sem-I & II)

Sr No	Rule
01	Before starting the Project Phase-I work, it is ensured that all activities of PBS in TE are completed under the guidance of internal guide.
02	Project groups should report to their respective internal guides on slots given in the time table every week.
03	Project groups should properly maintain Booklet. Refer Appendix "A" for Index of Booklet.
04	Project groups should complete work on Review-I and present the work in front of Review panel of Phase-I. Refer Appendix "B" for deliverables and assessment.
05	If Review panel give any correction/suggestions after Review - I, then project group must complete that work within the specified time.
06	Project groups need to work on writing paper on work done.
07	Project groups should complete work on Review- II and present the work in front of Review panel of Phase-I. Refer Appendix "C" for deliverables and assessment..
08	If Review panel give any correction/suggestions after Review-II, then project group must complete that work within the specified time
09	Project groups should complete the Project Phase – I report in all respective as per format and instructions. Project group need to submit 03 Hard copies to internal guide before appearing to the Oral Examination
10	Project group need to prepare presentation of 15 to 20 min for 50 marks University Oral examination as per internal guide directions.
11	If Sponsored project ,then proper communication should be their among students,external Mentor/guide and internal guide. Final project title should be updated to Phase-I coordinator
12	Sponsored project groups must maintain the record of visit/communications with external guide/mentor. This record should be submitted to internal guide weekly.
13	Sponsored project groups need to submit sponsorship letter to internal guide/coordinator before the project work starts.
14	Sponsored project groups carry out Sr.01 to Sr. 10 activates as per schedule given.
15	In the semester II, Project groups should complete work on Review- III and present the work in front of Review panel. Refer Appendix "D" for deliverables and assessment..
16	Review IV will be conducted after Successful completion of the the review III. Refer "E " for deliverables and assessment.
17	Project groups should complete the Project work report in all respective as per format and instructions. Project group also need to publish one paper in reputed International conference. Project group need to submit 03 Hard copies to internal guide before appearing to the Oral and Term work Examination. Refer "F " for Report guidelines
18	Sponsored project groups need to submit completion certificate to internal guide/coordinator.
19	Finally, Project group need to prepare presentation of 25 to 30 min for 50 marks Term work and 100 marks Oral University examination as per internal guide directions.

Department of Mechanical Engineering

VISION

Emerge as a globally recognized provider of Mechanical Engineering education and solutions

MISSION

M1: Provide an environment for developing intellectual, emotional, physical and spiritual quotients that are essential to produce total quality engineers

M2: Establish a platform that fosters a culture of creativity, research, innovation and life-long learning

M3: Become a centre of excellence that creates technology leaders and entrepreneurs committed towards sustainable development of society

523 / 600

Program Outcomes (POs)

PO1: Engineering knowledge: Apply the knowledge of mathematics, science, engineering fundamentals, and an engineering specialization to the solution of complex engineering problems

PO2: Problem analysis: Identify, formulate, review research literature, and analyze complex engineering problems reaching substantiated conclusions using first principles of mathematics, natural sciences, and engineering sciences

PO3: Design/development of solutions: Design solutions for complex engineering problems and design system components or processes that meet the specified needs with appropriate consideration for the public health and safety, and the cultural, societal, and environmental considerations

PO4: Conduct investigations of complex problems: Use research-based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of the information to provide valid conclusions

PO5: Modern tool usage: Create, select, and apply appropriate techniques, resources, and modern engineering and IT tools including prediction and modeling to complex engineering activities with an understanding of the limitations

PO6: The Engineer and society: Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to the professional engineering practice

PO7: Environment and sustainability: Understand the impact of the professional engineering solutions in societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development

PO8: Ethics: Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice

PO9: Individual and team work: Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings

PO10: Communication: Communicate effectively on complex engineering activities with the engineering community and with society at large, such as, being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions

PO11: Project management and finance: Demonstrate knowledge and understanding of the engineering and management principles and apply these to one's own work, as a member and leader in a team, to manage projects and in multidisciplinary environments

PO12: Lifelong learning: Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change

DETAILS OF COURT CASES OF ARMY INSTITUTE OF TECHNOLOGY

Ser No.	Name of Court where the case is filed	Petition No. and Date	Defended by (Name of Adv)	Brief Acct of the Case	Prog of the Case in Brief	Present Status/ Date of Next Hearing
(a)	(b)	(c)	(d)	(e)	(f)	(g)
1	Hon'ble Supreme Court	Writ Petition by DG Auradkar & Others (total 22) (SLP (Civil) 21150 of 2007)	Adv Col R Bala Subramanian (Adv Qumaruddin)	Revised pay scales as per Vth Pay Commission were applicable wef 01 Jan 1996. Accordingly, Non-Teaching Faculty of AIT got the revised pay scale along with arrears in 1999. However, teaching faculty was paid revised pay wef Aug 2000. This was according to the Government Resolution dt. 18 Oct 2000 which had passed order to apply revised pay scales to all teaching faculty of the un-aided engineering colleges in Maharashtra State wef Aug 2000.	AIT teaching faculty filed a Writ Petition in the High court at Mumbai stating that AIT has funds for arrears of Vth Pay salary wef 01 Jan 1996, therefore court may give direction to pay them wef 01 Jan 1996. The decision has gone in favour of the faculty & Hon'ble High Court has ordered to make payment of arrears accordingly. AIT has filed an SLP in Hon'ble Supreme Court. Respondents have filed counter affidavit. Hearing is in progress in Supreme Court. The financial implication of an adverse order is Rs. 80 lakhs (approx). On 21 Apr 2023 Court made the following order :- **"The special leave petition is dismissed".** **"Pending application(s), if any stand disposed of". The financial Implications would be as under :** (a) For (09) Working Faculty = Rs. 15,80,005/- (b) For (04) Retired Faculty = Rs. 9,54,278/- (c) For (08) Resigned Faculty= Rs. 13,26,711/- (d) For (01) Demise Faculty = Rs. 1,33,198/- **Total = Rs. 39,94,192/-**	1. Both Advocates ie Adv Supreme Court and Local Legal Advisor were of opinion that review at this stage in Hon'ble Supreme will have very little chance for success and review at Hon'ble High Court be carried on standing the case. 2. Chairman AIT along with Director AIT briefed the Chairman BOA and COS HQ Southern Comd on 02 Aug 2023 about the case. Based on the discussion held, it has been decided to pay arrears of 5th CPC to the 22 petitioners amounting to Rs 39,94,192/- (approx) to avoid contempt of Supreme Court order and possible penalty of interest, if a petitioner approaches the court. 3. AIT will be able to pay this amount in next two-three weeks, on receipt of directions from HQ Southern Comd, as funds for such contingencies are budgeted in AIT budget.

	Hon'ble High Court at Mumbai	Mr BD Sonawane & Mr SJ Joshi (Employee of AIT) Civil Writ Petition No 9434/2005 & 9435/2005	Adv PS Kulkarni	Both are presently working in the Mechanical Workshop of AIT as Instructor - Carpentry & Welder respectively. They had filed a complaint before the University of Pune Grievance Committee regarding higher pay scale to be made applicable as paid to another workshop employee namely Mr Kumbhar – Instructor Sheet Metal. However, the University Grievance Committee rejected their complaint saying that these two Mr BD Sonawane & Mr SJ Joshi are paid as per pay scale admissible to them for their post. And also management can give more pay to another employee on same post considering his experience & the requirement of the employer.	These two individuals Mr Sonawane & Mr Joshi have challenged the decision of the Grievance Committee in the Hon'ble High court at Mumbai. The case has been admitted in the High Court. The financial implication of an adverse order is Rs. One Lakh as lump sum payment plus Rs. 1000/- pm each.	This case is very old Has not come up for hearing yet

	Hon'ble High court at Mumbai	Non-Teaching Employees of AIT vs Management of AIT Writ Petition No 2e764/2018	Adv Bhanage	Case had come up for hearing on 31 May 2013 in Central Tribunal at Chembur Mumbai for the first time. Non-Teaching staff of AIT has joined the Union (Bhartiya Mazdoor Sangh / BMS) & had asked for arrears of VI Pay revised pay scales w e f 01 Jan 2006 as per Govt resolution. Initially they had applied to Labour Commissioner (LC) at Pune. Plea of the employees for payment of arrears wef 01 Jan 2006 was accepted by the Tribunal.	AIT has filed Writ Petition (26764/18) in High Court at Bombay challenging the judgement of the Tribunal. Hon. High Court has passed an interim stay on the Tribunal order. In this matter pertains to whether the recommendations of the 6th Pay Commission to Non-Teaching Staff were to be implemented retrospectively from 01/01/2006. The Hon'ble High Court was pleased to issue notice to other side and stay was granted on 16 Jan 2019, subject to deposit of Rs. 25 lakhs. AIT has deposited this amount and the same is displayed on case status portal on 11/09/2020.	On 05 Sept 2023 issue did not reach and not heard. Next date not fixed by the Court.

7	Hon'ble High court at Mumbai	Dr. A K. Singh Writ Petition No 21038/2021	Adv Bhanage	The Petitioner is challenging the judgement and order dated 29/09/2021 passed by the learned Grievance Committee constituted under section 79 of the Maharashtra Public Universities Act, 2016 in complaint No. 26/2019 filed by the Respondent herein. The learned Grievance Committee by impugned order has set aside the minor penalty punishment awarded to the Respondent of withholding of increment for next 5 consecutive years. The learned Committee has disposed the matter, as it was a grievance when the matter was not actually in the nature of grievance but a substantive question of law and facts and required judicial determination and has further failed to appreciate the gravity of misconducts while passing the impugned order. AIT challenged the order in High Court, Mumbai.	Adv. Bhanage informed that matter sent to Mumbai bench on 05/04/2022 Writ Petition filed by Dr. AK Singh listed before Court on 26 Jun 2023 but not reached before Hon. High Court – Online hearing systems.	The case is listed on the board on 05th Sep 2023. Adv DJ Bhanage attended but the Hon'ble presiding judge of the Bench did not sit. Hence matter is adjourned.

RAGGING

1. Notices for ban on ragging are widely publicized on Notice Boards in College, Hostel and College Website.

2. Each student and his/her parent are signing an affidavit on prohibition of ragging.

3. Second, Third and Final Year students are addressed by Director and Joint Director about ragging and its fall out before the admission of FEs.

4. Circular about ragging i.e giving a complete write up as given by Supreme Court in hostel and Dept notice boards.

5. FEs briefed on how to report the matter to Warden/Rector/Jt Director/Director rather than informing parents and thereby the environment, as prompt action will be taken at college level only.
