RAGGING IS STRICTLY PROHIBITED
AIT FOLLOWS A POLICY OF ZERO TOLERANCE FOR RAGGING

THE INSTITUTE - AIM, AFFILIATION, RECOGNITION AND ACCREDITATION

1. Army Institute of Technology (AIT) was established in 1994 exclusively for children of serving and retired Army Personnel. Wards of War Widows in receipt of liberalised pension are also eligible for admission into AIT. AIT functions under the aegis of Army Welfare Education Society (AWES). Today, **AIT is ranked amongst the Best Engineering Colleges of India.**
2. AIT is affiliated to Savitribai Phule Pune University and is recognised by All India Council for Technical Education (AICTE). Electronics & Telecommunication Engineering, Mechanical Engineering and Computer Engineering **were re-accredited by the National Board of Accreditation (NBA) in 2013 while IT Branch has been accredited in 2013. AIT was re-accredited by the National Assessment and Accreditation Council (NAAC) also in 2010 and has also been awarded ISO 9001-2008 Certification** for quality management and administration.
3. AIT has been nationally ranked at '33' and '31' among private engineering colleges in India by 'Outlook' and 'The Week' magazines surveys in 2014-15.

DISCIPLINES OF STUDY AND SEATS

4. AIT offers four year B.E. courses in the following Disciplines: -
 - (a) Electronics & Telecommunication Engineering - 120 seats
 - (b) Mechanical Engineering - 60 seats
 - (c) Computer Engineering - 60 seats
 - (d) Information Technology - 60 seats

ACADEMICS

5. (a) AIT has a young, dynamic and competent academic faculty who are instrumental for the **outstanding academic performance of AITians**. AIT results have been **consistently above 90%**.
(b) AIT **infrastructure and laboratories are comparable with the best in this field**. The Institute **library is computerised and well-stocked** with technical books and journals of national and international repute. It boasts of an air conditioned reading room and an e-library with **more than 719 online international journals**.

Note:- Minimum 75% attendance for theory and 100% attendance for practical is mandatory for appearing in University Exams.

Ragging is prohibited in the Campus and strict action will be initiated against defaulters as per Maharashtra Prohibition of Ragging Act 1999 and UGC Act.

CAMPUS AND SUPPORT FACILITIES

6. Hostel and Messing.

(a) **Hostels.** Separate hostels for boys and girls are available with separate mess and recreation facilities. Besides hostel messes, there are two cafeterias within the Campus which provide a range of eatables to the students. All students will be governed by the AIT Hostel Rules (Please refer AIT Rule Book).

(b) **Hostel Accommodation.** All First Year and all girl students will be assured Hostel Accommodation. For other students, available hostel accommodation will be allotted on merit. Hostel accommodation is compulsory for all First Year students.

(c) **Messing.** Full fledged dining facility is provided through Contractor to include breakfast, lunch and dinner for all seven days.

(d) **Hostel Rules.** Students are not permitted to leave hostels for **night outs** without written/faxed permission from their notified guardian as per records. **Such outings/absence will be at risk of parents.**

7. Shopping and Banking. Fruit cum Juice Centre, Automated Laundry and a Stationery Shop form part of the Shopping Complex within AIT. An ATM of HDFC bank is available within the Campus. Bank of Baroda, SBI, IDBI and Bank of Maharashtra have branches within a few kilometres of AIT with ATM facility. Education loan facilities are available from Bank of Baroda and SBI.

8. Medical Facility. Nursing Assistant (NA) is available 24 hours on Campus. An ambulance is present on campus to take students requiring further medical treatment to Military Hospital (MH) Kirkee. Parents are required to submit a medical form with details of Chronic illness/congenital disorders if any, at the time of admission.

9. Internet and NKN Connectivity. Computer Centre with Internet connectivity is located in the Academic Block and is available to first year students. All students must possess a PC/Laptop held under their own responsibility. Wi-fi facilities are available in all Hostels, Study Halls, Library, Open Air Theatre and laboratories. National Knowledge Network (NKN) 100 Mbps connectivity is also available from this year.

10. Placement. The Placement Cell at AIT has been **consistently placing more than 85% of its registered students** through Campus Placement. AIT's Campus-Placements are amongst the **best in the entire State of Maharashtra** with all leading Software, IT, IT-enabled and manufacturing companies recruiting students through Campus Placement. Industry-Institute interaction is of a high level with a number of adjunct faculty members from the industry and Memorandum of Understandings with leading companies like Microsoft, TCS, IBM, Bharat Forge, NVIDIA, Texas Instruments etc. Majority of the students execute industry-sponsored projects and undergo internships.

PERSONALITY DEVELOPMENT

11. AIT gives great importance to development of personality through active participation in sports, cultural activities and technical competitions. AIT has a number of vibrant clubs like Robotics, Open Source Software, BAJA SAE Asia and Debating/Quiz. Institute also provides excellent facilities for cricket, tennis, table tennis, basketball, football, volleyball, handball, badminton and squash. Well-equipped gymnasiums are available separately for boys and girls. Systematic Soft Skills training by professionals and Language Lab facilities are recent additions. Aspiring Minds conducts AMCAT assessment for every student in his second/third year to assess and guide him/her regarding employability skills.

Admission once cancelled by a candidate will be considered final and irrevocable and the candidate will lose the claim to it. Similarly, **failure of a candidate to join classes by a specified date on granting admission will forfeit his/ her right to the seat allotted which will be cancelled without any warning/ notice.** This vacant seat will be allotted forthwith to the next candidate in the Merit List.

ADMISSION PROCEDURE

NOTIFICATION OF MERIT LIST AND CALLS FOR ADMISSIONS

28. Notification of Results. The AIT Merit List will be notified and displayed on the AIT Website www.aitpune.com approximately one week after the declaration of JEE Main 2014 Result.

29. Call for Admission/Joining Instructions. Admission schedule and Joining Instructions will be available on AIT website alongwith AIT merit list. Candidates will report to AIT for admission formalities on the day/ date and time mentioned in admission schedule given in Joining Instructions. Inclusion of name in AIT Merit List does not bestow on the candidate the right to admission.

MODE OF OFFERING ADMISSION

30. Following procedure will be adopted for admission of the candidates who have qualified as above:-

(a) Branch of Engineering would be allotted taking into consideration the order of merit of the candidate, available vacancies and choice of branch indicated by the candidate while filling-up the Admission Form at the time of Admission. **Candidates are advised to fill in their choice of branch in the admission form as per their desire/preference even if there is no vacancy in that branch at that time. Choice mentioned in the admission form will form basis for re-allotment/re-adjustment of branch subsequently due to withdrawal/failure of some candidates to join AIT within stipulated time.**

(b) Failure of a candidate to present himself/herself on the day/ date and time specified in their Joining Instructions or when specifically called for admission will lose claim to his/her merit. However, in case such a candidate presents himself/herself at a later time but during the admission process, a seat, if still vacant at that point of time, will be allotted to the said candidate. The merit of such a candidate will stand relegated to one below the seat last allotted.

(c) A candidate presents himself/herself on admission day and refuses to take admission on being offered a seat will NOT be given another chance.

(d) Only those waitlisted candidates who present themselves at AIT to avail of the chance offer the first time and fail to secure a seat due to early filling up of seats will be called for admission once more when a vacancy arises.

(e) The candidate must personally be present at the time of Admission. A candidate, however, may be represented by his/her parents or a representative (with an authority letter from parents concerned) only in case it is not possible for him / her to be personally present due to medical reason. However, **failure of a candidate to physically report to AIT on the date/time specified after grant of admission will result in cancellation of admission without any warning/notice.**

**AIT MERIT LIST**

31. AIT Merit List will be made on the basis of JEE Main Rank. However, where weightage for gallantry awards is to be given as laid down in Para 12, the weightage marks will be added to the marks obtained in the JEE Main. The final AIT Merit List will then be made after weightage has been given to the affected candidates. If after award of 'Weightage Marks', two or more candidates secure the same marks, the inter-se merit of these candidates will be based on their earlier JEE Main Rank.

32. **No Third Party Arbitration on Preparation of Merit List.** The decision of AIT Management with respect to preparation of the Merit List will be final and no third party arbitration on this matter will be accepted.

33. **Provisional Admission.** On grant of provisional admission, the candidate must deposit all documents in original, failing which admission will be cancelled. All admissions made by AIT are provisional. An admission will be considered final only when eligibility of the candidate is accepted by the Savitribai Phule Pune University. The branch of engineering, (according to the choice indicated by the candidate at the time of admission) will be allotted initially on the basis of AIT Merit on a provisional basis. Readjustment of branch during admission processes/ during the academic year 2015 - 2016 may be carried out later, subject to availability of seats again **as per choice indicated by candidate in AIT Admission Form at the time of Admission.**

Note: - Inter-branch transfer may be possible later in the next academic year (i.e. in the beginning of Second Year) based on the performance of First Year (combined performance of both first and second semesters) and revised choice of the candidate, subject to availability of vacant seats in the concerned branch.

FILLING UP OF APPLICATION FORM**34. Application Form.**

(a) **Online.** Online application form is available on our website www.aitpune.com. Application fee of **Rs 850/-** can be paid through credit/debit card or netbanking. In addition, candidate will need to pay a processing charge of **Rs 45/-**.

OPEN LETTER TO PROSPECTIVE AIT-IANS FROM AN AIT ALUMINUS

Fresh out of school and confused about making the right choice?

Don't be in a hurry. A single decision has the power to change your life completely. You have a passion for a particular subject but you are too mesmerized with the brands like IIT and NIT? It's high time you rise above such shackles. Unless you have an exceptionally good rank that fetches you COMP/ELECTRONICS/MECHANICAL and related branches in the traditional IITs and NITs, there is no point in looking forward to them, making a compromise with your interests just to go by a brand??

As you read on, I will be enlisting the reasons why AIT is the best place to start your college life. My views are not in any way intended to sell the brand AIT. Whatever I enlist here is purely an outcome of my experience in the college for 4 years and I am totally contented with where I am today and I take pride in claiming that I am an AITian!

The Name speaks it all. An Army College with a great managing body, exceptionally good teachers, a perfect assimilation of the wards from almost every state keeps the diversity intact and very comfortable.

The very first thing that we look for from a college is the infrastructure. Luckily, AIT boasts of state-of-the-art infrastructure, close to nature surroundings, latest facilities in terms of great classrooms, labs and libraries with Wi-fi facilities, interactive projection systems and MOODLE based teaching learning process, comfortable hostels and excellent sport facilities. AIT houses the latest of everything. That's what makes learning a delightful experience here.

AIT has exceptionally brilliant and senior level teachers in its faculty pool. After its students, the faculty members are undoubtedly AIT's biggest asset. The college has various activities throughout the year which help students to improve themselves in the areas they are weak at. Be it Elocution, Debates, Dramatics, Dance, Sports, Music, Robotics, Mathematics, Karate, Yoga etc. Every talent is nurtured and given importance. There are a lot of clubs which are dedicated towards growing students as individuals and help them make a distinct individual of their own. BAJA, SUPRA, Open Source Software (OSS) and Robotics Clubs, to name a few attract one and all.

AIT has a dedicated cell which helps in arranging for Institution-industry interaction with industry experts conducting guest lectures and workshops / seminars. This is how students get to learn a lot more than they learn through books.

Needless to say, the students are motivated and recognized for all the great things they do. There are rewards and recognition in terms of the scholarships. The AGIF (Rs 40K) for 1 in 4 students, the Tata-Merit and Indian Express Scholarships (20K) for toppers, and Merit-cum-Means to approx 70 eligible students engenders a keen sense of competition and the urge to excel amongst the students. There are many training programs arranged by the college for beyond-syllabus learning, which is very essential for a good placement nowadays.

College also encourages students to participate in the activities of research and helps them to take part in International Conferences. The Student Council is an integral body of the college and students representatives help in communicating the needs and grievances of the students. The college also boasts of one of the most magnificent Inter College Technical Fest where students from across the country participate and showcase their talent. Other Inter College events include the Hammer Away which is the Annual Debate Competition and also PACE which is the Inter College Sports Fest. I believe this year they are introducing a Choreography competition as well.

Coming to the most important aspect – Placements. Yes, AIT does not fall short here. We have an exceptional history of the number of placed students in every batch, which is usually more than 90%. A large number of multinational companies like Microsoft, Google, Deloitte, Accenture, General Motors, Godrej, etc. hire students from AIT. And what adds to the glory of AIT is its exceptionally awesome pool of Alumni who are doing great in various fields. Within a short span of 20 years our past students have made their impact not only in India Inc. but also at global level. Our alumni are working at senior positions in organizations like Microsoft, Google, Deloitte, Facebook etc. There is a large contingent of 120 odd alumni in the Indian Army, the senior-most having made it as Colonels.

So In short, AIT is a great college to be in. Why join some other college after compromising with your interests and aspirations when this one is as good as a college can be.

To sum it up for AIT, We are what we repeatedly do; Excellence is not an act but a habit!

Best of Luck!

10 GOOD REASONS TO JOIN AIT

1. **State-of-art infrastructure**. AIT has a huge sprawling, green campus offering up-to-date facilities be it in the classrooms, laboratories, library, playgrounds or in hostels. Computer access and Wi-Fi facilities are available in academic block as well as hostels. National Knowledge Network connectivity has been obtained in Jan 2015.
2. **Placement Assurance**. AIT has an outstanding record with the placement percentage being consistently above 90%. A large number of multinational companies like Microsoft, Google, Deloitte, Accenture, General Motors, Godrej etc employ our students.
3. **Faculty Profile**. We have highly experienced senior level as well as young and dynamic faculty on board. Seven faculty members hold Doctorate degrees and 23 are pursuing their PhD. Apart from teaching our faculty members are actively involved in research and offer advice to various industries and commercial bodies.
4. **Scholarships**. AGIF scholarship of Rs 40,000/- per year is awarded to one in four students of AIT. In addition prestigious DLF TATA Merit and Indian Express Readers Merit Scholarship are awarded to meritorious students. A large number of Merit cum Means scholarships are disbursed every year to eligible students.
5. **Industrial Training and Internships**. Our Placement Cell is in touch with various industries so as to enable the students to associate with them for project work, in-plant training etc. A committee involving faculty members has been

formed to help the placement cell in improving the Institution-Industry relationship.

6. **Communication Skills and Personality Development.** From first year onward all students are trained in Communication skills using both conventional and computerized audio-video equipment. Students are encouraged to actively participate in various club activities, inter and intra-college events which help in overall personality development.
7. **Accreditation.** AIT is affiliated to prestigious University of Pune. All branches of Engg are accredited by NBA (National Board of Accreditation) and approved by AICTE (All India Council for Technical Education). AIT is also accredited by NAAC (National Assessment and Accreditation Council) and has ISO 9001:2008 certification..
8. **Library.** AIT library has a voluminous collection of books and e-journals in all branches of Engineering. The New library is built up in 700 sq m. It has 27,767 volumes on 8313 titles. It also has 57 national, 17 international journals and 737 e-journals with OPAC and reprographic facilities.
9. **Life Beyond Classrooms.** Clubs like Robotics, Open Source Software, Baja and Supra – Asia help hone technical skills as well as instil team spirit and leadership qualities. Akriti, our inter – branch cultural competition is a highly awaited & popular annual event.
10. **Illustrious Alumni.** Within a short span of 20 years our past students have made their impact not only in India Inc. but also at global level. Our alumni are working at senior positions in organizations like Microsoft, Google, Deloitte, Facebook etc. We have a vibrant alumni association and our alumni interact regularly with students and sponsor technical events.

27. Forfeiture of Seat on Cancellation of Admission/ Failure to Join Classes. Admission once cancelled by a candidate will be considered final and irrevocable and the candidate will lose the claim to it. Similarly, **failure of a candidate to join classes by a specified date on granting admission will forfeit his/ her right to the seat allotted which will be cancelled without any warning/ notice.** This vacant seat will be allotted forthwith to the next candidate in the Merit List.

ADMISSION PROCEDURE

NOTIFICATION OF MERIT LIST AND CALLS FOR ADMISSIONS

28. Notification of Results. The AIT Merit List will be notified and displayed on the AIT Website www.aitpune.com approximately one week after the declaration of JEE Main 2016 Final Rank List.

29. Call for Admission/Joining Instructions. Admission schedule and Joining Instructions will be available on AIT website alongwith AIT merit list. Candidates will report to AIT for admission formalities on the day/ date and time mentioned in admission schedule given in Joining Instructions. Inclusion of name in AIT Merit List does not bestow on the candidate the right to admission.

MODE OF OFFERING ADMISSION

30. Following procedure will be adopted for admission of the candidates who have qualified as above:-

(a) Branch of Engineering would be allotted taking into consideration the order of merit of the candidate, available vacancies and choice of branch indicated by the candidate while filling-up the Admission Form at the time of Admission. **Candidates are advised to fill in their choice of branch in the admission form as per their desire/preference even if there is no vacancy in that branch at that time. Choice mentioned in the admission form will form basis for re-allotment/re-adjustment of branch subsequently due to withdrawal/failure of some candidates to join AIT within stipulated time.**

(b) Failure of a candidate to present himself/herself on the day/ date and time specified in their Joining Instructions or when specifically called for admission will lose claim to his/her merit. However, in case such a candidate presents himself/herself at a later time but during the admission process, a seat, if still vacant at that point of time, will be allotted to the said candidate. The merit of such a candidate will stand relegated to one below the seat last allotted.

(c) A candidate presents himself/herself on admission day and refuses to take admission on being offered a seat will NOT be given another chance.

(d) Only those waitlisted candidates who present themselves at AIT to avail of the chance offer the first time and fail to secure a seat due to early filling up of seats will be called for admission once more when a vacancy arises.

(e) The candidate must personally be present at the time of Admission. A candidate, however, may be represented by his/her parents or a representative (with an authority letter from parents concerned) only in case it is not possible for him / her to be personally present due to medical reason. However, **failure of a candidate to physically report to AIT on the date/time specified after grant of admission will result in cancellation of admission without any warning/notice.**

AIT MERIT LIST

31. AIT Merit List will be made on the basis of JEE Main Rank. However, where weightage for gallantry awards is to be given as laid down in Para 12, the weightage marks will be added to the marks obtained in the JEE Main. The final AIT Merit List will then be made after weightage has been given to the affected candidates. If after award of 'Weightage Marks', two or more

candidates secure the same marks, the inter-se merit of these candidates will be based on their earlier JEE Main Rank.

32. No Third Party Arbitration on Preparation of Merit List. The decision of AIT Management with respect to preparation of the Merit List will be final and no third party arbitration on this matter will be accepted.

33. Provisional Admission. On grant of provisional admission, the candidate must deposit all documents in original, failing which admission will be cancelled. All admissions made by AIT are provisional. An admission will be considered final only when eligibility of the candidate is accepted by the Savitribai Phule Pune University. The branch of engineering, (according to the choice indicated by the candidate at the time of admission) will be allotted initially on the basis of AIT Merit on a provisional basis. Readjustment of branch during admission processes/ during the academic year 2016 - 2017 may be carried out later, subject to availability of seats again **as per choice indicated by candidate in AIT Admission Form at the time of Admission.**

Note: - Inter-branch transfer may be possible later in the next academic year (i.e. in the beginning of Second Year) based on the performance of First Year (combined performance of both first and second semesters) and revised choice of the candidate, subject to availability of vacant seats in the concerned branch.

OPEN LETTER TO PROSPECTIVE AIT-IANS FROM AN AIT ALUMINUS

Fresh out of school and confused about making the right choice?

Don't be in a hurry. A single decision has the power to change your life completely. You have a passion for a particular subject but you are too mesmerized with the brands like IIT and NIT? It's high time you rise above such shackles. Unless you have an exceptionally good rank that fetches you COMP/ELECTRONICS/MECHANICAL and related branches in the traditional IITs and NITs there is no point in looking forward to them, making a compromise with your interests just to go by a brand??

As you read on, I will be enlisting the reasons why AIT is the best place to start your college life. My views are not in any way intended to sell the brand AIT. Whatever I enlist here is purely an outcome of my experience in the college for 4 years and I am totally contented with where I am today and I take pride in claiming that I am an AITian!

The Name speaks it all. An Army College with a great managing body, exceptionally good teachers, a perfect assimilation of the wards from almost every state keeps the diversity intact and very comfortable.

The very first thing that we look for from a college is the infrastructure. Luckily, AIT boasts of state-of-art infrastructure, close to nature surroundings, latest facilities in terms of great classrooms, labs and libraries with Wi-fi facilities, interactive projection systems and MOODLE based teaching learning process, comfortable hostels and excellent sport facilities. AIT houses the latest of everything. That's what makes learning a delightful experience here.

AIT has exceptionally brilliant and senior level teachers in its faculty pool. After its students, the faculty members are undoubtedly AIT's biggest asset. The college has various activities throughout the year which help students to improve themselves in the areas they are weak at. Be it Elocution, Debates, Dramatics, Dance, Sports, Music, Robotics, Mathematics, Karate, Yoga etc. Every talent is nurtured and given importance. There are a lot of clubs which are dedicated towards growing students as individuals and help them carve out a distinct individuality of their own. BAJA, SUPRA, Open Source Software (OSS) and Robotics Clubs, to name a few attract one and all. Student technical teams have won numerous prize monies of as high as Rs 1.00 Lac and Rs 75,000/- as first prizes in various National Competitions.

AIT has a dedicated Incubation Centre which helps in arranging for Institution-industry interaction with industry experts conducting guest lectures and workshops / seminars. This is how students get to learn a lot more than they learn through books.

Needless to say, the students are motivated and recognized for all the great things they do. There are rewards and recognition in terms of the scholarships. The AGIF (Rs 40K) for 288 students, ZS Associates (Rs 1 lac each), Persistent, DLF, Lila Poonawala and HORIZON sponsoring more than 50 students (Rs 40 K each), the Tata-Merit and Indian Express Scholarships (20K) for toppers, and Merit-cum-Means to approx 70 eligible students engenders a keen sense of competition and the urge to excel amongst the students. Flipped classrooms using Edvelop and MOODLE lesson plans, MOOC courses on wi-fi and training programs arranged by the college for beyond-syllabus learning, which are very essential for a good placement nowadays.

College also encourages students to participate in the activities of research and helps them to take part in International Conferences. The Student Council is an integral body of the college and students representatives help in communicating the needs and grievances of the students. The

college also boasts of one of the most magnificent Inter College Technical Fest where students from across the country participate and showcase their talent. Other Inter College events include the Hammer Away which is the Annual Debate Competition and also PACE which is the Inter College Sports Fest. Since last year they have introduced a Choreography competition and Battle of Band as well. Coming to the most important aspect – Placements. Yes, AIT does not fall short here . We have an exceptional history of the number of placed students in every batch, which is usually more than 90%. A large number of multinational companies like Microsoft, Google, Deloitte, Accenture, General Motors, Godrej, etc. hire students from AIT. In the current passing out batch, the top 3 placements are of Rs 32.5 lac, Rs 24.0 lac and Rs 18.0 lac in premier MNCs. And what adds to the glory of AIT is its exceptionally awesome pool of Alumni who are doing great in various fields. Within a short span of 20 years our past students have made their impact not only in India Inc. but also at global level. Our alumni are working at senior positions in organizations like Microsoft, Google, Deloitte, Facebook etc. There is a large contingent of 130 odd alumni in the Indian Army, the senior-most having made it as Colonels.

So In short, AIT is a great college to be in. Why join some other college after compromising with your interests and aspirations when this one is as good as a college can be.

To sum it up for AIT, We are what we repeatedly do; Excellence is not an act but a habit!

Best of Luck!

10 GOOD REASONS TO JOIN AIT

1. **State-of-art infrastructure.** AIT has a huge sprawling, green campus offering up-to-date facilities be it in the classrooms, laboratories, library, playgrounds or in hostels. Computer access and Wi-Fi facilities are available in academic block as well as hostels. National Knowledge Network connectivity has been obtained in Jan 2015.
2. **Placement Assurance.** AIT has an outstanding record with the placement percentage being consistently above 90%. A large number of multinational companies like Microsoft, Google, Deloitte, Accenture, General Motors, Godrej etc employ our students with the highest placement package having touched Rs 32.5 lac in 2016 batch.
3. **Faculty Profile.** We have highly experienced senior level as well as young and dynamic faculty on board. Nine faculty members hold Doctorate degrees and 30 are pursuing their PhD. Apart from teaching our faculty members are actively involved in research and offer advice to various industries and commercial bodies.
4. **Scholarships.** AGIF scholarship of Rs 40,000/- per year is awarded to one in four students of AIT. In addition prestigious DLF Raghavendra, TATA Merit, ZS Associates and Indian Express Readers Merit Scholarship are awarded to meritorious students. A large number of Merit cum Means scholarships are disbursed every year to eligible students. Overall students are awarded Rs 1.7 Crores as scholarships/awards at AIT every year.
5. **Industrial Training and Internships.** Our Placement Cell is in touch with various industries so as to enable the students to associate with them for project work, in-plant training etc. A committee involving faculty members has been formed to help the placement cell in improving the Institution-Industry relationship.
6. **Communication Skills and Personality Development.** From first year onward all students are trained in Communication skills using both conventional and computerized audio-video equipment. Students are encouraged to actively participate in various club activities, inter and intra-college events which help in overall personality development.
7. **Accreditation.** AIT is affiliated to the prestigious Savitribai Phule Pune University. All branches of Engg have been accredited by NBA (National Board of Accreditation) and approved by AICTE (All India Council for Technical Education). AIT is also accredited by NAAC (National Assessment and Accreditation Council) and has ISO 9001:2008 certification. It is ranked within the first 70 nationally and 6th in the Western Region.
8. **Library.** AIT library has a voluminous collection of books and e-journals in all branches of Engineering. The New library is built up in 700 sq m. It has 29,096 volumes on 8887 titles. It also has 58 national, 17 international journals and 740 e-journals with OPAC and reprographic facilities.
9. **Life Beyond Classrooms.** Clubs like Robotics, Open Source Software, Baja and Supra – Asia help hone technical skills as well as instil team spirit and leadership qualities. AIT students are sweeping National Level technical competitions and winning numerous prizes as high as Rs 1.0 Lac.
10. **Illustrious Alumni.** Within a short span of 20 years our past students have made their impact not only in India Inc. but also at global level. Our alumni are working at senior positions in organizations like Microsoft, Google, Deloitte, Facebook etc. We have a vibrant alumni association and our alumni interact regularly with students and sponsor technical events.

NOTIFICATION OF MERIT LIST AND CALLS FOR ADMISSIONS

31. Notification of Results. The AIT Merit List will be notified and displayed on the AIT Website www.aitpune.com approximately one week after the declaration of JEE Main 2017 Final Rank List.

32. AIT Merit List will be made on the basis of JEE Main Rank. However, where weightage for gallantry awards is to be given as laid down in Para 16, the weightage marks will be added to the marks obtained in the JEE Main. The final AIT Merit List will then be made after weightage has been given to the affected candidates. If after award of 'Weightage Marks', two or more candidates secure the same marks, the inter-se merit of these candidates will be based on their earlier JEE Main Rank.

33. No Third Party Arbitration on Preparation of Merit List. The decision of AIT Management with respect to preparation of the Merit List will be final and no third party arbitration on this matter will be accepted.

34. Call for Admission/Joining Instructions. Admission schedule and Joining Instructions will be available on AIT website alongwith AIT merit list. Candidates will report to AIT for admission formalities on the day/ date and time mentioned in admission schedule given in Joining Instructions. Inclusion of name in AIT Merit List does not bestow on the candidate the right to admission.

MODE OF OFFERING ADMISSION

35. Following procedure will be adopted for admission of the candidates who have qualified as above:-

(a) Branch of Engineering would be allotted taking into consideration the order of merit of the candidate, available vacancies and choice of branch indicated by the candidate while filling-up the Admission Form at the time of Admission. **Candidates are advised to fill in their choice of branch in the admission form as per their desire/preference even if there is no vacancy in that branch at that time. Choice mentioned in the admission form will form basis for re-allotment/re-adjustment of branch subsequently due to withdrawal/failure of some candidates to join AIT within stipulated time.**

(b) Failure of a candidate to present himself/herself on the day/ date and time specified in their Joining Instructions or when specifically called for admission will lose claim to his/her merit. However, in case such a candidate presents himself/herself at a later time but during the admission process, a seat, if still vacant at that point of time, will be allotted to the said candidate. The merit of such a candidate will stand relegated to one below the seat last allotted.

(c) A candidate presents himself/herself on admission day and refuses to take admission on being offered a seat will NOT be given another chance.

(d) Only those waitlisted candidates who present themselves at AIT to avail of the chance offer the first time and fail to secure a seat due to early filling up of seats will be called for admission once more when a vacancy arises.

(e) The candidate must personally be present at the time of Admission. A candidate, however, may be represented by his/her parents or a representative (with an authority letter from parents concerned) only in case it is not possible for him / her to be personally present due to medical reason. However, **failure of a candidate to physically report to AIT on the date/time specified after grant of admission will result in cancellation of admission without any warning/notice.**

36. Provisional Admission. On grant of provisional admission, the candidate must deposit all required documents, failing which admission will be cancelled. All admissions made by AIT are provisional. An admission will be considered final only when eligibility of the candidate is accepted by the Savitribai Phule Pune University. The branch of engineering, (according to the choice indicated by the candidate at the time of admission) will be allotted initially on the basis of AIT Merit on a provisional basis. Readjustment of branch during admission processes/ during the academic year 2017 - 2018 may be carried out later, subject to availability of seats again **as per choice indicated by candidate in AIT Admission Form at the time of Admission.**

Note: - Inter-branch transfer may be possible later in the next academic year (i.e. in the beginning of Second Year) based on the performance of First Year (combined performance of both first and second semesters) and revised choice of the candidate, subject to availability of vacant seats in the concerned branch.

37. Verification and non-retention of students' academic and personal testimonials. On the day of admission, AIT will physically verify students' original certificates and testimonials like mark-sheets, school leaving certificates, migration certificate and return the same to applicant, keeping the self attested copies for record.

OPEN LETTER TO PROSPECTIVE AIT-IANS FROM AN AIT ALUMINUS

Fresh out of school and confused about making the right choice?

Don't be in a hurry. A single decision has the power to change your life completely. You have a passion for a particular subject but you are too mesmerized with the brands like IIT and NIT? It's high time you rise above such shackles. Unless you have an exceptionally good rank that fetches you COMP/ELECTRONICS/MECHANICAL and related branches in the traditional IITs and NITs there is no point in looking forward to them, making a compromise with your interests just to go by a brand??

As you read on, I will be enlisting the reasons why AIT is the best place to start your college life. My views are not in any way intended to sell the brand AIT. Whatever I enlist here is purely an outcome of my experience in the college for 4 years and I am totally contented with where I am today and I take pride in claiming that I am an AITian!

The Name speaks it all. An Army College with a great managing body, exceptionally good teachers, a perfect assimilation of the wards from almost every state keeps the diversity intact and very comfortable.

The very first thing that we look for from a college is the infrastructure. Luckily, AIT boasts of state- of -art infrastructure, close to nature surroundings, latest facilities in terms of great classrooms, labs and libraries with Wi-fi facilities, interactive projection systems and MOODLE based teaching learning process, comfortable hostels and excellent sport facilities. AIT houses the latest of everything. That's what makes learning a delightful experience here.

AIT has exceptionally brilliant and senior level teachers in its faculty pool. After its students, the faculty members are undoubtedly AIT's biggest asset. The college has various activities throughout the year which help students to improve themselves in the areas they are weak at . Be it Elocution, Debates, Dramatics, Dance, Sports, Music, Robotics, Mathematics, Karate, Yoga etc. Every talent is nurtured and given importance. There are a lot of clubs which are dedicated towards growing students as individuals and help them carve out a distinct individuality of their own. BAJA, SUPRA , Open Source Software (OSS) and Robotics Clubs, to name a few attract one and all . Student technical teams have won numerous prize monies of as high as Rs 1.00 Lac and Rs 75,000/- as first prizes in various National Competitions.

AIT has a dedicated Incubation Centre which helps in arranging for Institution-industry interaction with industry experts conducting guest lectures and workshops / seminars. This is how students get to learn a lot more than they learn through books.

Needless to say, the students are motivated and recognized for all the great things they do. There are rewards and recognition in terms of the scholarships. The AGIF (Rs 40K) for 288 students, ZS Associates (Rs 1.5 lac each), Persistent, DLF, Lila Poonawala and HORIZON sponsoring more than 50 students (Rs 40 K each), the Tata-Merit and Indian Express Scholarships (20K) for toppers, and Merit-cum-Means to approx 70 eligible students engenders a keen sense of competition and the urge to excel amongst the students. Flipped classrooms using Edvelop and MOODLE lesson plans, MOOC courses on wi-fi and training programs arranged by the college for beyond-syllabus learning, which are very essential for a good placement nowadays.

College also encourages students to participate in the activities of research and helps them to take part in International Conferences . The Student Council is an integral body of the college and students representatives help in communicating the needs and grievances of the students. The college also boasts of one of the most magnificent Inter College Technical Fest where students from across the country participate and showcase their talent. Other Inter College events include the Hammer Away which is the Annual Debate Competition and also PACE which is the Inter College Sports Fest. Since last year they have introduced a Choreography competition and Battle of Band as well. Coming to the most important aspect – Placements. Yes, AIT does not fall short here . We have an exceptional history of the number of placed students in every batch, which is usually more than 90%. A large number of multinational companies like Microsoft, Google, Deloitte, Accenture, General Motors, Godrej, etc. hire students from AIT. In the current passing out batch, the top 3 placements are of Rs 32.5 lac, Rs 24.0 lac and Rs 18.0 lac in premier MNCs. And what adds to the glory of AIT is its exceptionally awesome pool of Alumni who are doing great in various fields. Within a short span of 20 years our past students have made their impact not only in India Inc. but also at global level. Our alumni are working at senior positions in organizations like Microsoft, Google, Deloitte, Facebook etc. There is a large contingent of 130 odd alumni in the Indian Army, the senior-most having made it as Colonels.

So In short, AIT is a great college to be in. Why join some other college after compromising with your interests and aspirations when this one is as good as a college can be.

To sum it up for AIT, We are what we repeatedly do; Excellence is not an act but a habit!

Best of Luck!

10 GOOD REASONS TO JOIN AIT

1. **State-of-art infrastructure.** AIT has a huge sprawling, green campus offering up-to-date facilities be it in the classrooms, laboratories, library, playgrounds or in hostels. Computer access and Wi-Fi facilities are available in academic block as well as hostels. National Knowledge Network connectivity has been obtained in Jan 2015.
2. **Placement Assurance.** AIT has an outstanding record with the placement percentage being consistently above 90%. A large number of multinational companies like Microsoft, HSBC, Deloitte, INA Bearings, ZS Associates, Godrej etc employ our students with the highest placement package having touched Rs 32.5 lac in 2016 batch, with average CTC of Rs 5.1 Lac per annum.
3. **Faculty Profile.** We have highly experienced senior level as well as young and dynamic faculty on board. Nine faculty members hold Doctorate degrees and 30 are pursuing their PhD. Apart from teaching our faculty members are actively involved in research and offer advice to various industries and commercial bodies.
4. **Scholarships.** AGIF scholarship of Rs 40,000/- per year is awarded to one in four students of AIT. In addition prestigious DLF Raghavendra, TATA Merit, ZS Associates, Persistent, Badve and Indian Express Readers Merit Scholarship are awarded to meritorious students. A large number of Merit cum Means scholarships are also disbursed every year to eligible students. Overall students are awarded Rs 1.7 Crores as scholarships/awards at AIT every year.
5. **Industrial Training and Internships.** Our Placement Cell is in touch with various industries so as to enable the students to associate with them for project work, in-plant training etc. A committee involving faculty members has been formed to help the placement cell in improving the Institution-Industry relationship.
6. **Communication Skills and Personality Development.** From first year onward all students are trained in Communication skills using both conventional and computerized audio-video facility. Students are encouraged to actively participate in various club activities, inter and intra-college events which help in overall personality development, measured by a credit based co-curricular assessment system.
7. **Accreditation.** AIT is affiliated to the prestigious Savitribai Phule Pune University. All branches of Engg have been accredited by NBA (National Board of Accreditation) and approved by AICTE (All India Council for Technical Education). AIT is also accredited by NAAC (National Assessment and Accreditation Council) and has ISO 9001:2008 certification. It is ranked within the first 70 nationally and 6th in the Western Region.
8. **Library.** AIT library has a voluminous collection of books and e-journals in all branches of Engineering. The New library is built up in 700 sq m. It has 30,184 volumes on 9259 titles. It also has 58 national, 17 international journals and 740 e-journals with OPAC and reprographic facilities.
9. **Life Beyond Classrooms.** Clubs like Robotics, Open Source Software, Baja and Supra – Asia help hone technical skills as well as instil team spirit and leadership qualities. AIT students are sweeping National Level technical competitions and winning numerous prizes as high as Rs 1.0 Lac.
10. **Illustrious Alumni.** Within a short span of 20 years our past students have made their impact not only in India Inc. but also at global level. Our alumni are working at senior positions in organizations like Microsoft, Google, Deloitte, Facebook etc. We have a vibrant alumni association and our alumni interact regularly with students and sponsor technical events.

ADMISSION PROCEDURE

NOTIFICATION OF MERIT LIST AND CALLS FOR ADMISSIONS

31. Notification of Results. The AIT Merit List will be notified and displayed on the AIT Website www.aitpune.com approximately one week after the declaration of JEE Main 2018 Final Rank List.

32. AIT Merit List will be made on the basis of JEE Main Rank. However, where weightage for gallantry awards is to be given as laid down in Para 16, the weightage marks will be added to the marks obtained in the JEE Main. The final AIT Merit List will then be made after weightage has been given to the affected candidates. If after award of 'Weightage Marks', two or more candidates secure the same marks, the inter-se merit of these candidates will be based on their earlier JEE Main Rank.

33. No Third Party Arbitration on Preparation of Merit List. The decision of AIT Management with respect to preparation of the Merit List will be final and no third party arbitration on this matter will be accepted.

34. Call for Admission/Joining Instructions. Admission schedule and Joining Instructions will be available on AIT website alongwith AIT merit list. Candidates will report to AIT for admission formalities on the day/ date and time mentioned in admission schedule given in Joining Instructions. Inclusion of name in AIT Merit List does not bestow on the candidate the right to admission.

MODE OF OFFERING ADMISSION

35. Following procedure will be adopted for admission of the candidates who have qualified as above:-

(a) Branch of Engineering would be allotted taking into consideration the order of merit of the candidate, available vacancies and choice of branch indicated by the candidate while filling-up the Admission Form at the time of Admission. **Candidates are advised to fill in their choice of branch in the admission form as per their desire/preference even if there is no vacancy in that branch at that time. Choice mentioned in the admission form will form basis for re-allotment/re-adjustment of branch subsequently due to withdrawal/failure of some candidates to join AIT within stipulated time.**

(b) Failure of a candidate to present himself/herself on the day/ date and time specified in their Joining Instructions or when specifically called for admission will lose claim to his/her merit. However, in case such a candidate presents himself/herself at a later time but during the admission process, a seat, if still vacant at that point of time, will be allotted to the said candidate. The merit of such a candidate will stand relegated to one below the seat last allotted.

(c) A candidate presents himself/herself on admission day and refuses to take admission on being offered a seat will NOT be given another chance.

(d) Only those waitlisted candidates who present themselves at AIT to avail of the chance offer the first time and fail to secure a seat due to early filling up of seats will be called for admission once more when a vacancy arises.

(e) The candidate must personally be present at the time of Admission. A candidate, however, may be represented by his/her parents or a representative (with an authority letter from parents concerned) only in case it is not possible for him / her to be personally present due to medical reason. However, **failure of a candidate to physically report to AIT on the date/time specified after grant of admission will result in cancellation of admission without any warning/notice.**

36. **Provisional Admission.** On grant of provisional admission, the candidate must deposit all required documents, failing which admission will be cancelled. All admissions made by AIT are provisional. An admission will be considered final only when eligibility of the candidate is accepted by the Savitribai Phule Pune University. The branch of engineering, (according to the choice indicated by the candidate at the time of admission) will be allotted initially on the basis of AIT Merit on a provisional basis. Readjustment of branch during admission processes/ during the academic year 2018 - 2019 may be carried out later, subject to availability of seats again **as per choice indicated by candidate in AIT Admission Form at the time of Admission.**

Note: - Inter-branch transfer may be possible later in the next academic year (i.e. in the beginning of Second Year) based on the performance of First Year (combined performance of both first and second semesters) and revised choice of the candidate, subject to availability of vacant seats in the concerned branch.

37. **Verification and non-retention of students' academic and personal testimonials.** On the day of admission, AIT will physically verify students' original certificates and testimonials like mark-sheets, school leaving certificates, migration certificate and return the same to applicant, keeping the self attested copies for record.

OPEN LETTER TO PROSPECTIVE AIT-IANS FROM AN AIT ALUMNUS

Fresh out of school and confused about making the right choice?

Don't be in a hurry. A single decision has the power to change your life completely. You have a passion for a particular subject but you are too mesmerized with the brands like IIT and NIT? It's high time you rise above such shackles. Unless you have an exceptionally good rank that fetches you COMP/ELECTRONICS/MECHANICAL and related branches in the traditional IITs and NITs there is no point in looking forward to them, making a compromise with your interests just to go by a brand??

As you read on, I will be enlisting the reasons why AIT is the best place to start your college life. My views are not in any way intended to sell the brand AIT. Whatever I enlist here is purely an outcome of my experience in the college for 4 years and I am totally contented with where I am today and I take pride in claiming that I am an AITian!

The Name speaks it all. An Army College with a great managing body, exceptionally good teachers, a perfect assimilation of the wards from almost every state keeps the diversity intact and very comfortable.

The very first thing that we look for from a college is the infrastructure. Luckily, AIT boasts of state-of-the-art infrastructure, close to nature surroundings, latest facilities in terms of great classrooms, labs and libraries with Wi-fi facilities, interactive projection systems and MOODLE based teaching learning process, comfortable hostels and excellent sport facilities. AIT houses the latest of everything. That's what makes learning a delightful experience here.

AIT has exceptionally brilliant and senior level teachers in its faculty pool. After its students, the faculty members are undoubtedly AIT's biggest asset. The college has various activities throughout the year which help students to improve themselves in the areas they are weak at. Be it Elocution, Debates, Dramatics, Dance, Sports, Music, Robotics, Mathematics, Karate, Yoga etc. Every talent is nurtured and given importance. There are a lot of clubs which are dedicated towards growing students as individuals and help them carve out a distinct individuality of their own. BAJA, SUPRA, Open Source Software (OSS) and Robotics Clubs, to name a few attract one and all. Student technical teams have won numerous prize monies of as high as Rs 1.00 Lac and Rs 75,000/- as first prizes in various National Competitions.

AIT has a dedicated Incubation Centre which helps in arranging for Institution-industry interaction with industry experts conducting guest lectures and workshops / seminars. This is how students get to learn a lot more than they learn through books.

Needless to say, the students are motivated and recognized for all the great things they do. There are rewards and recognition in terms of the scholarships. The AGIF (Rs 40K) for 288 students, ZS Associates (Rs 1.5 lac each), Persistent, DLF, Lila Poonawala and HORIZON sponsoring more than 50 students (Rs 40 K each), the Tata-Merit and Indian Express Scholarships (20K) for toppers, and Merit-cum-Means to approx 70 eligible students engenders a keen sense of competition and the urge to excel amongst the students. Flipped classrooms using Edvelop and MOODLE lesson plans, MOOC courses on wi-fi and training programs arranged by the college for beyond-syllabus learning, which are very essential for a good placement nowadays.

College also encourages students to participate in the activities of research and helps them to take part in International Conferences . The Student Council is an integral body of the college and students representatives help in communicating the needs and grievances of the students. The college also boasts of one of the most magnificent Inter College Technical Fest where students from across the country participate and showcase their talent. Other Inter College events include the Hammer Away which is the Annual Debate Competition and also PACE which is the Inter College Sports Fest. Since last year they have introduced a Choreography competition and Battle of Band as well. Coming to the most important aspect – Placements. Yes, AIT does not fall short here . We have an exceptional history of the number of placed students in every batch, which is usually more than 90%. A large number of multinational companies like Microsoft, Google, Deloitte, Accenture, General Motors, Godrej, etc. hire students from AIT. In the current passing out batch, the top 3 placements are of Rs 32.5 lac, Rs 24.0 lac and Rs 18.0 lac in premier MNCs. And what adds to the glory of AIT is its exceptionally awesome pool of Alumni who are doing great in various fields. Within a short span of 20 years our past students have made their impact not only in India Inc. but also at global level. Our alumni are working at senior positions in organizations like Microsoft, Google, Deloitte, Facebook etc. There is a large contingent of 130 odd alumni in the Indian Army, the senior-most having made it as Colonels.

So In short, AIT is a great college to be in. Why join some other college after compromising with your interests and aspirations when this one is as good as a college can be.

To sum it up for AIT, We are what we repeatedly do; Excellence is not an act but a habit!

Best of Luck!

10 GOOD REASONS TO JOIN AIT

1. **State-of-art infrastructure.** AIT has a huge sprawling, green campus offering up-to-date facilities be it in the classrooms, laboratories, library, playgrounds or in hostels. Computer access and Wi-Fi facilities are available in academic block as well as hostels. National Knowledge Network connectivity has been obtained in Jan 2015.
2. **Placement Assurance.** AIT has an outstanding record with the placement percentage being consistently above 90%. A large number of multinational companies like Microsoft, HSBC, Deloitte, INA Bearings, ZS Associates, Godrej Hyundai, Barclays etc employ our students with the highest placement package having touched Rs 24 lac in 2017 batch, with average CTC of Rs 5.4 Lac per annum.
3. **Faculty Profile.** We have highly experienced senior level as well as young and dynamic faculty on board. Nine faculty members hold Doctorate degrees and 30 are pursuing their PhD. Apart from teaching our faculty members are actively involved in research and offer advice to various industries and commercial bodies.
4. **Scholarships.** AGIF scholarship of Rs 40,000/- per year is awarded to one in four students of AIT. In addition prestigious DLF Raghavendra, TATA Merit, ZS Associates, Persistent, Badve and Indian Express Readers Merit Scholarship are awarded to meritorious students. A large number of Merit cum Means scholarships are also disbursed every year to eligible students. Overall students are awarded Rs 1.7 Crores as scholarships/awards at AIT every year.
5. **Industrial Training and Internships.** Our Placement Cell is in touch with various industries so as to enable the students to associate with them for internships, project work, in-plant training etc. A committee involving faculty members has been formed to help the placement cell in improving the Institution-Industry relationship.
6. **Communication Skills and Personality Development.** From first year onward all students are trained in Communication skills using both conventional and computerized audio-video facility. Students are encouraged to actively participate in various club activities, inter and intra-college events which help in overall personality development, measured by a credit based co-curricular assessment system.
7. **Accreditation.** AIT is affiliated to the prestigious Savitribai Phule Pune University. All branches of Engg have been accredited by NBA (National Board of Accreditation) and approved by AICTE (All India Council for Technical Education). AIT is also accredited by NAAC (National Assessment and Accreditation Council) in Grade 'A' and has ISO 9001:2008 certification. It is ranked within the first 70 nationally and 6th in the Western Region. AIT is All India ranked by NIRF on 77.
8. **Library.** AIT library has a voluminous collection of books and e-journals in all branches of Engineering. The New library is built up in 700 sq m. It has 31,228 volumes on 9811 titles. It also has 60 national, 16 international journals and 740 e-journals with OPAC and reprographic facilities.
9. **Life Beyond Classrooms.** Clubs like Robotics, Open Source Software, Baja and Supra – Asia help hone technical skills as well as instil team spirit and leadership qualities. AIT students are sweeping National Level technical competitions and winning numerous prizes as high as Rs 1.0 Lac.
10. **Illustrious Alumni.** Within a short span of 23 years our past students have made their impact at global level. Our alumni are working at senior positions in organizations like Microsoft, Google, Deloitte, Facebook etc. We have a vibrant alumni association and our alumni interact regularly with students, sponsor technical events and project competitions.

RAGGING IS STRICTLY PROHIBITED

AIT FOLLOWS A POLICY OF ZERO TOLERANCE FOR RAGGING

THE INSTITUTE - AIM, AFFILIATION, RECOGNITION AND ACCREDITATION

1. Army Institute of Technology (AIT) was established in 1994 exclusively for children of serving and retired Army Personnel. Wards of War Widows in receipt of liberalised pension are also eligible for admission into AIT. AIT functions under the aegis of Army Welfare Education Society (AWES).
2. AIT is affiliated to Savitribai Phule Pune University (SPPU) and is recognised by All India Council for Technical Education (AICTE). **AIT is re-accredited by the National Assessment and Accreditation Council (NAAC) in 2016 with 'A Grade'**. All undergraduate courses run by AIT are accredited by NBA.
3. Today, **AIT is ranked amongst the Best Engineering Colleges of India**. AIT has been nationally ranked at '54', '77' and '18' among private engineering colleges in India by 'Outlook', 'The Week' and 'Dataquest' magazine surveys respectively, during the Academic Year 2017-18. Government of India, Ministry of HRD, has ranked AIT at 88, among all engineering colleges in India, through NIRF. AIT has been awarded the Best Professional College (Urban) by Pune University in the Year 2017.

DISCIPLINES OF STUDY AND SEATS

4. AIT offers four year B.E. courses in the following branches :-
 - (a) Computer Engineering - 120 seats

 - (c) Mechanical Engineering - 60 seats
 - (d) Information Technology - 60 seats

ACADEMICS

5. (a) AIT has a young, dynamic and competent academic faculty who are instrumental for the **outstanding academic performance of AITians**. AIT results have been **consistently above 90%**.
- (b) AIT **infrastructure and laboratories are comparable with the best in this field**. The Institute **library is computerised and well-stocked** with technical books and journals of national and international repute. It boasts of an air conditioned reading room and an e-library with **740 online international journals**.

Minimum 75% physical attendance for theory and 100% physical attendance for practical is mandatory every semester, for appearing in University Exams.

CAMPUS AND SUPPORT FACILITIES

6. Hostel and Messing.

(a) **Hostels.** Separate hostels for boys and girls are available with separate mess and recreation facilities. Besides hostel messes, there is one cafeteria and a fruit juice stall, within the Campus which provide a range of eatables to the students. All students will be governed by the AIT Hostel Rules (Please refer AIT Rule Book).

(b) **Hostel Accommodation.** It is mandatory for all students of First Year Engineering to stay in AIT Hostel Accommodation. For other students, available hostel accommodation will be allotted on merit. Merit will be calculated based purely on aggregate marks of all past semesters, as available on the date of allotment.

(c) **Messing.** Full fledged dining facility is provided through contractor to include breakfast, lunch and dinner for all seven days.

(d) **Hostel Rules.** Students are not permitted to leave hostels for **night outs** without written/faxed permission from their notified guardian as per records. **Such outings/absence will be at the risk of parents.**

7. Shopping. Banking. Fruit cum Juice Centre, Automated Laundry, Barber shop and a Stationery Shop form part of the Shopping Complex within AIT. An ATM of HDFC bank is available within the Campus. CSD facilities are available on every Wednesday and Saturday. Bank of Baroda, SBI, IDBI and Bank of Maharashtra have branches within a few kilometres of AIT with ATM facility.

8. Educational Loan. Students can avail educational loan from **Central Sector Interest Subsidy Scheme (CSISS)** of Ministry of HRD (website www.mhrd.gov.in). Education loan facilities are also available from Bank of Baroda and SBI. Special offer/incentive being offered by SBI on education loan to students of AIT as under:-

(a) **Max Loan Amount.** Upto Rs 20 Lakh without any collateral security.

(b) **Interest Rate.** 9.85% pa at present (subject to change from time to time with change in the Marginal Cost of Lending Rates (MCLR) of the bank).

(c) **Further Concessions.**

(i) 0.25% if collateral security \geq the loan amount.

(ii) 0.25% if work experience of more than 2 years.

(iii) Effective rate of interest, with both the concessions, not to be lower than 9.30% pa at present (subject to change from time to time with change in MCLR).

9. Medical Facility. Nursing Assistant (NA) is available 24 hours on Campus. An ambulance is present on campus to take students requiring further medical treatment to Military Hospital (MH) Kirkee. One lady doctor visits AIT thrice weekly. Parents are required to submit a medical form with details of chronic illness/congenital disorders if any, at the time of admission. All students should be in possession of ECHS Card/valid Dependency Card.

10. Internet and NKN Connectivity. Computer Centre with Internet connectivity is located in the Academic Block and is available to first year students. All students must possess a Laptop held under their own responsibility. Wi-fi facilities are available in all Hostels, Study Halls, Library, Open Air Theatre and laboratories. National Knowledge Network (NKN) 1 GBPS connectivity is also available from this year.

Rules for students staying in AIT Hostels and rules for day scholar students are published on the AIT Website. These Rules will be strictly followed.

11. Placement. The Placement Cell at AIT has been **consistently placing more than 90% of its registered students** through Campus Placement. **Last year 95% were placed.** AIT's Campus-Placements are amongst the **best in the entire State of Maharashtra** with all leading Software, IT, IT-enabled and manufacturing companies recruiting students through Campus Placement. Industry-Institute interaction is of a high level with a number of adjunct faculty members from the industry and Memorandum of Understandings with leading companies like Microsoft, TCS, 3DPLM, Bharat Forge, Mobiliya, Texas Instruments etc. Majority of the students execute industry-sponsored projects and undergo internships.

12. Curbing Ragging in Educational Institution. Ragging in any form is strictly prohibited in AIT and places where students of AIT stay. If any incident of ragging comes to the notice of the authority, the concerned student shall be given liberty to explain and if his/her explanation is not found satisfactory, the authority would expel him/her from the institution. Attention of all students are invited to UGC website (URL) www.ugc.ac.in/page/Ragging-Related-Circulars.aspx, students are advised to make themselves aware of the provisions contained therein.

13. Prevention, Prohibition and Redressal of Sexual Harrassment of Women Employees and Students in Higher Educational Institutions. University Grants Commission (UGC) has issued Regulations, 2015 in the above regard. The Regulations have come into force on 2nd May 2016. All students will go through the Regulations, the Act and SAKSHAM Report, at www.iitbbs.ac.in/notice/sexual-harrassment-of-woman-act-andrule-2013.pdf, www.ugc.ac.in/pdf/news/7203627-UGC-regulation-harrassment.pdf and www.ugc.ac.in/pdf/news/5873997-SAKSHAM-BOOK.pdf, respectively and make themselves aware of the provisions contained therein.

PERSONALITY DEVELOPMENT

14. AIT gives great importance to development of personality through active participation in sports, cultural activities and technical competitions. AIT has a number of vibrant clubs like Robotics, Open Source Software, BAJA SAE Asia and Debating/Quiz. Institute also provides excellent facilities for cricket, tennis, table tennis, basketball, football, volleyball, badminton and squash. Well-equipped gymnasiums are available separately for boys and girls. Systematic Soft Skills training by professionals and Language Lab facilities are recent additions. Aspiring Minds conducts AMCAT personality and aptitude assessment for every student in his second/third year to assess and guide him/her regarding employability skills. Professional experts from the industry conduct Entrepreneurship, Development Capsules for the students, under the aegis of an active Incubation/Innovation Centre in the college.

(b) A candidate who has passed any examination of a Statutory University recognised as equivalent to the corresponding examination of Savitribai Phule Pune University shall not be permitted to appear for that examination with the same subjects (Savitribai Phule Pune University Ordinance 115 refers) i.e., candidate who has completed First Year engineering from any Institute throughout the country is NOT eligible for re-admission in First Year Engineering at AIT.

22. **Academic Qualifications and Criteria.** The following qualifications must be met by the applicant applying for admission into AIT: -

(a) **Minimum (Qualifying Exam).** The applicant must have passed the (10+2) CBSE exam or the Indian School Certificate (10+2 or XII) ISC exam or its equivalent Higher Secondary (Std XII) Certificate Exam from a recognised Board/University with English, Physics and Maths as compulsory subjects.

(b) **Subject combination requirement.** The candidate must have passed/appeared Class XII or equivalent with compulsory subjects as Physics and Mathematics alongwith one of the Chemistry/Biotechnology/Biology/Technical Vocational Subject*. Candidate should obtain at least 50% in the above combination subjects. This is subject to directions from AICTE / Government of Maharashtra/ Savitribai Phule Pune University.

* Refer **Appendix “B”** for list of Technical Vocational Subject.

(c) **Proof of Academic Qualification.**

(i) **Those who have appeared for the Qualifying Exam.** Candidates, who appear for the qualifying exam in 2019, may also apply for the admission to AIT. They must however submit the Mark Sheet as proof of passing the said exam if they are called for admission.

(ii) **Those Who Have Already Passed in the Qualifying Exam.** Those who have already passed the qualifying exam must submit the attested copy of Mark Sheets of the qualifying examination along with the application form.

(iii) If after passing the qualifying (Class XII) examination by the candidate, there is a gap of one or more academic year before joining AIT, the candidate shall **submit an affidavit** to be given on a Stamp Paper worth Rs 100/- duly notarized stating that during the said period the candidate did not join any other course in any statutory University / Institute. **In case candidate had joined any College/University during this time, the candidate should submit Migration Certificate of that particular College/University. (Gap affidavit format is available on AIT website. It can be submitted at the time of admission).**

(d) **Compartment Cases.** A candidate who fails in Physics, Mathematics or Chemistry/Biotechnology/Biology/Technical Vocational Subject at the same sitting (one or more subjects) is not eligible for admission to First Year Engineering.

Admission once cancelled by a candidate will be considered final and irrevocable and the candidate will lose the claim to it. Similarly, **failure of a candidate to join classes by a specified date on granting admission will forfeit his/ her right to the seat allotted which will be cancelled without any warning/ notice.** This vacant seat will be allotted forthwith to the next candidate in the Merit List.

ADMISSION PROCEDURE

NOTIFICATION OF MERIT LIST AND CALLS FOR ADMISSIONS

31. Notification of Results. The AIT Merit List will be notified and displayed on the AIT Website www.aitpune.com approximately one week after the declaration of JEE Main 2019 Final Rank List.

32. AIT Merit List will be made on the basis of JEE Main Rank. However, where weightage for gallantry awards is to be given as laid down in Para 16, the weightage marks will be added to the marks obtained in the JEE Main. The final AIT Merit List will then be made after weightage has

been given to the affected candidates. If after award of 'Weightage Marks', two or more candidates secure the same marks, the inter-se merit of these candidates will be based on their earlier JEE Main Rank.

33. No Third Party Arbitration on Preparation of Merit List. The decision of AIT Management with respect to preparation of the Merit List will be final and no third party arbitration on this matter will be accepted.

34. Call for Admission/Joining Instructions. Admission schedule and Joining Instructions will be available on AIT website alongwith AIT merit list. Candidates will report to AIT for admission formalities on the day/ date and time mentioned in admission schedule given in Joining Instructions. Inclusion of name in AIT Merit List does not bestow on the candidate the right to admission.

MODE OF OFFERING ADMISSION

35. Following procedure will be adopted for admission of the candidates who have qualified as above:-

(a) Branch of Engineering would be allotted taking into consideration the order of merit of the candidate, available vacancies and choice of branch indicated by the candidate while filling-up the Admission Form at the time of Admission. **Candidates are advised to fill in their choice of branch in the admission form as per their desire/preference even if there is no vacancy in that branch at that time. Choice mentioned in the admission form will form basis for re-allotment/re-adjustment of branch subsequently due to withdrawal/failure of some candidates to join AIT within stipulated time.**

(b) Failure of a candidate to present himself/herself on the day/ date and time specified in their Joining Instructions or when specifically called for admission will lose claim to his/her merit. However, in case such a candidate presents himself/herself at a later time but during the admission process, a seat, if still vacant at that point of time, will be allotted to the said candidate. The merit of such a candidate will stand relegated to one below the seat last allotted.

(c) A candidate who presents himself/herself on admission day and refuses to take admission on being offered a seat will NOT be given another chance.

(d) Only those waitlisted candidates who present themselves at AIT to avail of the chance offer the first time and fail to secure a seat due to early filling up of seats will be called for admission once more when a vacancy arises.

(e) The candidate must personally be present at the time of Admission. A candidate, however, may be represented by his/her parents or a representative (with an authority letter from parents concerned) only in case it is not possible for him / her to be personally present due to medical reason. However, **failure of a candidate to physically report to AIT on the date/time specified after grant of admission will result in cancellation of admission without any warning/notice.**

36. Provisional Admission. On grant of provisional admission, the candidate must deposit all required documents, failing which admission will be cancelled. All admissions made by AIT are provisional. An admission will be considered final only when eligibility of the candidate is accepted by the Savitribai Phule Pune University. The branch of engineering, (according to the choice indicated by the candidate at the time of admission) will be allotted initially on the basis of AIT Merit on a provisional basis. Readjustment of branch during admission processes/ during the academic year 2019 - 2020 may be carried out later, subject to availability of seats again **as per choice indicated by candidate in AIT Admission Form at the time of Admission.**

37. Verification and non-retention of students' academic and personal testimonials. PROSPECTUS 2019
On the day of admission, AIT will physically verify students' original certificates and testimonials like mark-sheets, school leaving certificates, migration certificate and return the same to applicant, keeping the self attested copies for record.

OPEN LETTER TO PROSPECTIVE AIT-IANS FROM AN AIT ALUMNUS

Fresh out of school and confused about making the right choice?

Don't be in a hurry. A single decision has the power to change your life completely. You have a passion for a particular subject but you are too mesmerized with the brands like IIT and NIT? It's high time you rise above such shackles. Unless you have an exceptionally good rank that fetches you COMP/ELECTRONICS/MECHANICAL and related branches in the traditional IITs and NITs there is no point in looking forward to them, making a compromise with your interests just to go by a brand??

As you read on, I will be enlisting the reasons why AIT is the best place to start your college life. My views are not in any way intended to sell the brand AIT. Whatever I enlist here is purely an outcome of my experience in the college for 4 years and I am totally contented with where I am today and I take pride in claiming that I am an AITian!

The Name speaks it all. An Army College with a great managing body, exceptionally good teachers, a perfect assimilation of the wards from almost every state keeps the diversity intact and very comfortable.

The very first thing that we look for from a college is the infrastructure. Luckily, AIT boasts of state-of-art infrastructure, close to nature surroundings, latest facilities in terms of great classrooms, labs and libraries with Wi-fi facilities, interactive projection systems and MOODLE based teaching learning process, comfortable hostels and excellent sport facilities. AIT houses the latest of everything. That's what makes learning a delightful experience here.

AIT has exceptionally brilliant and senior level teachers in its faculty pool. After its students, the faculty members are undoubtedly AIT's biggest asset. The college has various activities throughout the year which help students to improve themselves in the areas they are weak at. Be it Elocution, Debates, Dramatics, Dance, Sports, Music, Robotics, Mathematics, Karate, Yoga etc. Every talent is nurtured and given importance. There are a lot of clubs which are dedicated towards growing students as individuals and help them carve out a distinct individuality of their own. BAJA, SUPRA, Open Source Software (OSS) and Robotics Clubs, to name a few attract one and all. Student technical teams have won numerous prize monies of as high as Rs 1.00 Lac and Rs 75,000/- as first prizes in various National Competitions.

AIT has a dedicated Incubation Centre which helps in arranging for Institution-industry interaction with industry experts conducting guest lectures and workshops / seminars. This is how students get to learn a lot more than they learn through books.

Needless to say, the students are motivated and recognized for all the great things they do. There are rewards and recognition in terms of the scholarships. The AGIF (Rs 40K) for 288 students, ZS Associates (Rs 1.5 lac each), Persistent, DLF, Lila Poonawala and HORIZON sponsoring more than 50 students (Rs 40 K each), the Tata-Merit and Indian Express Scholarships (20K) for toppers, and Merit-cum-Means to approx 70 eligible students engenders a keen sense of competition and the urge to excel amongst the students. Flipped classrooms using Edvelop and MOODLE lesson plans, MOOC courses on wi-fi and training programs arranged by the college for beyond-syllabus learning, which are very essential for a good placement nowadays.

College also encourages students to participate in the activities of research and helps them to take part in International Conferences . The Student Council is an integral body of the college and students representatives help in communicating the needs and grievances of the students. The college also boasts of one of the most magnificent Inter College Technical Fest where students from across the country participate and showcase their talent. Other Inter College events include the Hammer Away which is the Annual Debate Competition and also PACE which is the Inter College Sports Fest. Since last year they have introduced a Choreography competition and Battle of Band as well. Coming to the most important aspect – Placements. Yes, AIT does not fall short here . We have an exceptional history of the number of placed students in every batch, which is usually more than 90%. A large number of multinational companies like Microsoft, Google, Deloitte, Accenture, General Motors, Godrej, etc. hire students from AIT. In the current passing out batch, the top 3 placements are of Rs 32.5 lac, Rs 24.0 lac and Rs 18.0 lac in premier MNCs. And what adds to the glory of AIT is its exceptionally awesome pool of Alumni who are doing great in various fields. Within a short span of 20 years our past students have made their impact not only in India Inc. but also at global level. Our alumni are working at senior positions in organizations like Microsoft, Google, Deloitte, Facebook etc. There is a large contingent of 130 odd alumni in the Indian Army, the senior-most having made it as Colonels.

So In short, AIT is a great college to be in. Why join some other college after compromising with your interests and aspirations when this one is as good as a college can be.

To sum it up for AIT, We are what we repeatedly do; Excellence is not an act but a habit!

Best of Luck!

10 GOOD REASONS TO JOIN AIT

1. **State-of-art infrastructure.** AIT has a huge sprawling, green campus offering up-to-date facilities be it in the classrooms, laboratories, library, playgrounds or in hostels. Computer access and Wi-Fi facilities are available in academic block as well as hostels. National Knowledge Network connectivity has been obtained in Jan 2015.
2. **Placement Assurance.** AIT has an outstanding record with the placement percentage being consistently above 90%. A large number of multinational companies like Microsoft, HSBC, Deloitte, INA Bearings, ZS Associates, Godrej Hyundai, Barclays etc employ our students with the highest placement package having touched Rs 39 lakh in 2018 batch, with average CTC of Rs 6.0 Lakh per annum.
3. **Faculty Profile.** We have highly experienced senior level as well as young and dynamic faculty on board. Nine faculty members hold Doctorate degrees and 30 are pursuing their PhD. Apart from teaching our faculty members are actively involved in research and offer advice to various industries and commercial bodies.
4. **Scholarships.** DLF Raghavendra, Harshmap, Udchalo, TATA Merit, ZS Associates, Persistent, Badve and Indian Express Readers Merit Scholarship are awarded to meritorious students. A large number of Merit cum Means scholarships are also disbursed every year to eligible students.
5. **Industrial Training and Internships.** Our Placement Cell is in touch with various industries so as to enable the students to associate with them for internships, project work, in-plant training etc. A committee involving faculty members has been formed to help the placement cell in improving the Institution-Industry relationship.
6. **Communication Skills and Personality Development.** From first year onward all students are trained in Communication skills using both conventional and computerized audio-video facility. Students are encouraged to actively participate in various club activities, inter and intra-college events which help in overall personality development, measured by a credit based co-curricular assessment system.
7. **Accreditation.** AIT is affiliated to the prestigious Savitribai Phule Pune University. All branches of Engg have been accredited by NBA (National Board of Accreditation) and approved by AICTE (All India Council for Technical Education). AIT is also accredited by NAAC (National Assessment and Accreditation Council) in Grade 'A'. It is ranked within the first 70 nationally and 6th in the Western Region. AIT is All India ranked by NIRF on 88.
8. **Library.** AIT library has a voluminous collection of books and e-journals in all branches of Engineering. The New library is built up in 700 sq m. It has 32,628 volumes on 10,464 titles. It also has 67 national, 16 international journals and 962 e-journals with OPAC and reprographic facilities.
9. **Life Beyond Classrooms.** Clubs like Robotics, Open Source Software, Baja and Supra – Asia help hone technical skills as well as instil team spirit and leadership qualities. AIT students are sweeping National Level technical competitions and winning numerous prizes as high as Rs 1.0 Lac.
10. **Illustrious Alumni.** Within a short span of 25 years our past students have made their impact at global level. Our alumni are working at senior positions in organizations like Microsoft, Google, Deloitte, Facebook etc. We have a vibrant alumni association and our alumni interact regularly with students, sponsor technical events & project competitions, and offers scholarships as well. Few of senior entrepreneurs also are very keen to visit for campus recruitment.

RAGGING IS STRICTLY PROHIBITED

AIT FOLLOWS A POLICY OF ZERO TOLERANCE FOR RAGGING

THE INSTITUTE - AIM, AFFILIATION, RECOGNITION AND ACCREDITATION

1. Army Institute of Technology (AIT) was established in 1994 exclusively for children of serving and retired Army Personnel. Wards of War Widows in receipt of liberalised pension are also eligible for admission into AIT. AIT functions under the aegis of Army Welfare Education Society (AWES).

 - (b) Electronics & Telecommunication Engineering - 120 seats
 - (c) Mechanical Engineering - 60 seats
 - (d) Information Technology - 60 seats

ACADEMICS

5. (a) AIT has a young, dynamic and competent academic faculty who are instrumental for the **outstanding academic performance of AITians**. AIT results have been **consistently above 90%**.
- (b) AIT **infrastructure and laboratories are comparable with the best in this field**. The Institute **library is computerised and well-stocked** with technical books and journals of national and international repute. It boasts of an air conditioned reading room and an e-library with **1148 online international journals**.

Minimum 75% physical attendance for theory and 100% physical attendance for practical is mandatory every semester, for appearing in University Exams.

CAMPUS AND SUPPORT FACILITIES

6. Hostel and Messing.

- (a) **Hostels.** Separate hostels for boys and girls are available with separate mess and recreation facilities. Besides hostel messes, there is one cafeteria and a fruit juice stall, within the Campus which provide a range of eatables to the students. All students will be governed by the AIT Hostel Rules (Please refer AIT Rule Book).
- (b) **Hostel Accommodation.** It is mandatory for all students of First Year Engineering to stay in AIT Hostel Accommodation. For other students, available hostel accommodation will be allotted on merit. Merit will be calculated based on aggregate marks of last Academic Year as available on the date of allotment and attendance. Both parameters will have equal weightages for allotment.
- (c) Students who have been detained (year down) due to any reason will not continue to be registered students of AIT. Only registered students will be permitted to stay in AIT Hostels. Those who have been detained from promotion to next semester or expelled from hostel due to any reason will vacate the hostel accommodation immediately.
- (d) **Messing.** Full-fledged dining facility is provided through contractor to include breakfast, lunch, evening tea/snacks and dinner for all seven days. Messing for SE, TE and BE students will be provided for six days in a week (less Sundays).
- (e) **Hostel Rules.** Students are not permitted to leave hostels for **night outs** without written/faxed/whatsapped permission from their notified guardian as per records. **Such outings/absence will be at the risk of parents.**

7. Shopping. Banking. Fruit Juice Centre, automated Laundry, Barber shop, Grocery shop and a Stationery Shop form part of the Shopping Complex within AIT. An ATM of HDFC bank is available within the Campus. CSD facilities are available on every Wednesday and Saturday. Bank of Baroda, SBI, IDBI and Bank of Maharashtra have branches within a few kilometres of AIT with ATM facility.

8. Educational Loan. Students can avail educational loan from **Central Sector Interest Subsidy Scheme (CSISS)** of Ministry of HRD (website www.mhrd.gov.in). Education loan facilities are also available from Bank of Baroda and SBI. Special offer/incentive being offered by SBI on education loan to students of AIT as under:-

ADMISSION PROCEDURE

NOTIFICATION OF MERIT LIST AND CALLS FOR ADMISSIONS

32. Notification of Results. The AIT Merit List will be notified and displayed on the AIT Website www.aitpune.com approximately one week after the declaration of JEE Main 2020 Final Rank List.

33. AIT Merit List will be made on the basis of JEE Main Rank. However, where weightage for gallantry awards is to be given as laid down in Para 16, the weightage marks will be added to the percentile obtained in the JEE Main (best of two exams). The final AIT Merit List will then be made after weightage has been given to the affected candidates. If after award of 'Weightage Marks', two or more candidates secure the same marks, the inter-se merit of these candidates will be based on their earlier JEE Main Rank.

34. No Third Party Arbitration on Preparation of Merit List. The decision of AIT Management with respect to preparation of the Merit List will be final and no third party arbitration on this matter will be accepted.

35. Call for Admission/Joining Instructions. Admission schedule and Joining Instructions will be available on AIT website alongwith AIT merit list. Candidates will report to AIT for admission formalities on the day/ date and time mentioned in admission schedule given in Joining Instructions. Inclusion of name in AIT Merit List does not bestow on the candidate the right to admission.

MODE OF OFFERING ADMISSION

36. Following procedure will be adopted for admission of the candidates who have qualified as above:-

(a) **Branch Choice.** Candidates can fill their choice of branch preferences through AIT website after declaration of AIT Merit List.

(b) **Online Counselling.** In first round, candidates with AIT Merit up to 300 have been given the option reserve their seats by paying the fees Rs 10,000/-, on line through AIT website. In the second round, candidates with AIT Merit lower than 300, will be given similar opportunity for reservation of seats on line, as per availability of seats. Actual confirmation of seats will be

done after physical verification of documents at AIT as per dates of admission given in Joining Instructions.

(c) Physical Admission at AIT. Branch of Engineering would be allotted taking into consideration the order of merit of the candidate, available vacancies and choice of branch indicated by the candidate while filling-up the Admission Form at the time of Admission. **Candidates are advised to fill in their choice of branch in the admission form as per their desire/preference even if there is no vacancy in that branch at that time. Choice mentioned in the admission form will form basis for re-allotment/re-adjustment of branch subsequently due to withdrawal/failure of some candidates to join AIT within stipulated time.**

(d) Failure of a candidate to present himself/herself on the day/ date and time specified in their Joining Instructions or when specifically called for admission will lose claim to his/her merit. However, in case such a candidate presents himself/herself at a later time but during the admission process, a seat, if still vacant at that point of time, will be allotted to the said candidate. The merit of such a candidate will stand relegated to one below the seat last allotted.

(e) A candidate who presents himself/herself on admission day and refuses to take admission on being offered a seat will NOT be given another chance.

(f) Only those waitlisted candidates who present themselves at AIT to avail of the chance offer the first time and fail to secure a seat due to early filling up of seats will be called for admission once more when a vacancy arises.

(g) The candidate must personally be present at the time of Admission. A candidate, however, may be represented by his/her parents or a representative (with an authority letter from parents concerned) only in case it is not possible for him / her to be personally present due to medical reason. However, **failure of a candidate to physically report to AIT on the date/time specified after grant of admission will result in cancellation of admission without any warning/notice.**

37. Provisional Admission. On grant of provisional admission, the candidate must deposit all required documents, failing which admission will be cancelled. All admissions made by AIT are provisional. An admission will be considered final only when eligibility of the candidate is accepted by the Savitribai Phule Pune University. 10 GOOD REASONS TO JOIN AIT

1. **State-of-art infrastructure.** AIT has a huge sprawling, green campus offering up-to-date facilities be it in the classrooms, laboratories, library, playgrounds or in hostels. Computer access and Wi-Fi facilities are available in academic block as well as hostels. National Knowledge Network connectivity has been obtained in Jan 2015.
2. **Placement Assurance.** AIT has an outstanding record with the placement percentage being consistently above 90%. A large number of multinational companies like Microsoft, amazon, HSBC, Deloitte, ZS Associates, Godrej, Praj Industries, Alfa Laval, Barclays etc employ our students with the highest placement package having touched Rs 39 lakh in 2019 batch, with average CTC of Rs 7.15 Lakh per annum.
3. **Faculty Profile.** We have highly experienced senior level as well as young and dynamic faculty on board. Nine faculty members hold Doctorate degrees and 30 are pursuing their PhD. Apart from teaching our faculty members are actively involved in research and offer advice to various industries and commercial bodies.
4. **Scholarships.** Harshmap, Udchalo, TATA Merit, ZS Associates, Persistent, Badve and Indian Express Readers Merit Scholarship are awarded to meritorious students. A large number of Merit cum Means scholarships are also disbursed every year to eligible students.
5. **Industrial Training and Internships.** Our Placement Cell is in touch with various industries so as to enable the students to associate with them for internships, project work, in-plant training etc. A committee involving faculty members has been formed to help the placement cell in improving the Institution-Industry relationship.
6. **Communication Skills and Personality Development.** From first year onward all students are trained in Communication skills using both conventional and computerized audio-video facility. Students are encouraged to actively participate in various club activities, inter and intra-college events which help in overall personality development, measured by a credit based co-curricular assessment system.
7. **Accreditation.** AIT is affiliated to the prestigious Savitribai Phule Pune University. All branches of Engg have been accredited by NBA (National Board of Accreditation) and approved by AICTE (All India Council for Technical Education). AIT is also accredited by NAAC (National Assessment and Accreditation Council) in Grade 'A'. AIT is All India ranked by NIRF on 91.
8. **Library.** AIT library has a voluminous collection of books and e-journals in all branches of Engineering. The New library is built up in 700 sq m. It has 34,366 volumes on 11,322 titles. It also has 55 national, 15 international journals and 1,148 e-journals with OPAC and reprographic facilities.
9. **Life Beyond Classrooms.** Clubs like Robotics, Open Source Software, Baja and Supra – Asia help hone technical skills as well as instil team spirit and leadership qualities. AIT students are sweeping National Level technical competitions and winning numerous prizes as high as Rs 1.0 Lac.
10. **Illustrious Alumni.** Within a short span of 26 years our past students have made their impact at global level. Our alumni are working at senior positions in organizations like Microsoft, Google, Deloitte, Facebook etc. We have a vibrant alumni association and our alumni interact regularly with students, sponsor technical events & project competitions, and offers scholarships as well. Few of senior entrepreneurs also are very keen to visit for campus recruitment.
