# ARMY INSTITUTE OF TECHNOLOGY

(For Children of Regular Army Personnel / Army Ex-Servicemen / Wards of War Widows only)

ACCREDITED BY NAAC (Grade A) & NBA for all departments

PERMANENTLY AFFILIATED TO SAVITRIBAI PHULE PUNE UNIVERSITY

**Lt Gen JS Nain, AVSM, SM**  
GOC-in-C, HQ Southern Command  
Patron-in-Chief

**Lt Gen Arvind Walia**  
COS, HQ Southern Command  
Patron

**Maj Gen Vivek Dogra**  
CSO, HQ Southern Comd  
Chairman

**Brig. Abhay A Bhat, (Retd)**  
M Tech, MPM, B Tech, FIETE  
Director

**Col. MK Prasad,**  
M E (Structural Engineering)  
Joint Director

**Dr B P Patil**  
B E, M E, PhD (Electronics Technology)  
Principal

“Rajput Regiment Innovation Trophy”  
(Nk Jadunath Singh, PVC (P) Memorial Trophy – Academic Excellence)  
for Best Project by Lt Gen CP Mohanty, AVSM, SM, VSM

“Excellence in Placements”  
Brig Abhay A Bhat, Director AIT & Prof MS Khaladkar, Training & Placement Officer  
Receiving Dataquest Award at New Delhi

### STATUS

- ú Established in 1994 by AWES
- ú For Army wards only
- ú 100% intake on Merit in JEE Main
- ú AICTE Recognized, Affiliated to SPPU
- ú NBA, NAAC (Grade A)

### USP of AITians

- ú Strong Analytical Skills
- ú Excellent Team players
- ú Adaptability
- ú Discipline
- ú Good communication skills

### ACADEMICS

- ú Excellent faculty with Ph.D. and Research Facility
- ú Noteworthy patents filed by faculty & students
- ú Active Industry Interface with internships and sponsored projects

### INDUSTRY CONNECT

- Industry Sponsored Labs
- ú Dassault Systemes
- ú Texas Instruments
- ú Nvidia
- ú IBM
- ú Agreeya Mobility
- ú Phytec
- ú FT 42

### PLACEMENTS

- ú Consistent above 90% placements with high CTC
- ú 80 Leading industries are prominent recruiters
- ú Alumni in high positions Globally
- ú Large number commissioned in Armed Forces
- ú Intensive personality

### SCHOLARSHIPS

- ú TATA Merit
- ú Express Readers (South) Merit
- ú Horizon
- ú Badve Industries
- ú Udchalo
- ú Hashmap
- ú Leela Poonawala Foundation

### SPECIAL FEATURES

- ú High Quality intake purely on JEE (Mains) merit
- ú 30 acre green campus
- ú Residential institute with all facilities
- ú Emphasis on experiential learning
- ú Special emphasis on all round development of students
- ú Many green initiatives including massive tree plantation, Rain water harvesting, Solar plant (340 KWH), solar water heaters, Passive STP, solar street lights

### FUTURE PLANS

- ú Upgrade to global recognised Institute
- ú Autonomy and multi-disciplinary courses
- ú Industry oriented PG courses
- ú Centers of Excellence (AI, Robotics, IoT)
- ú E Vehicles and Green Technologies
- ú Ecosystem for Startups and Incubation

**A  
I  
T** at a glance

- ú Design, Thermal and Manufacturing
- ú Industry Oriented Problem solving techniques and tools training
  - Ø CAD Tools: CATIA, Pro/Engineer, AutoCAD, CADIAN
  - Ø CAE/FEA/CFD Tools: HyperMesh, OptiStruct, RADIOSS, ABAQUS, NASTRAN, ANSYS, Pro/Mechanica, STAR CCM+, ANSYS/Fluent
- ú Hands-on and well rounded talent
  - Ø Internship focus: Tata Technologies, Mahindra, BHEL, DRDO, Garrett Motion, St Gobain
  - Ø Competitions winners: KPIT-SPARKLE, Forbes Marshall, DassaultSystemes, SAE (BAJA, SUPRA, GO-Kart), AAKRUTI, AOC

## MECH

UG(60) PG(18)

# SKILL SETS, COMPETENCIES, STRENGTHS

- ú Analog & Digital Electronic Circuit Design
- ú Analog & Digital Communication Systems
- ú Embedded & VLSI Systems
- ú Software Development & Visualization
- ú Electronic Design Automation Software
- ú Simulation Software
- ú Internet of Things
- ú Robotics

E&TC  
UG(120)

IT  
UG(60)

- ú Internships in various well known companies like Microsoft, Persistent, Credit Suisse etc.
- ú Writing Technical papers in National and International journals and conferences
- ú Winners of national level project competitions - Hackathon and contests like NIC (National Innovation contest by AICTE)
- ú Technically sound in subjects like DBMS, Data Structures, Machine learning and Networking

COMP  
UG(120)

- ú Very Good in Competitive coding
- ú Algorithmic design and problem-solving using data structures
- ú Project development and Software Engineering
- ú Data science , AI/ML courses.
- ú Exposure to niche area like Cyber security, cloud Computing etc..
- ú Good exposures to open-source technologies
- ú Industry exposure thru internships.
- ú Good Communication skills.
- ú Hackathon winners at national level and industry-based Hackathons
- ú One team recommended at world level ACM ICPC coding competition
- ú All the students are in Distinctions.

# FIVE PILLARS OF OUR GROWTH

## Aligning with Industry 4.0

### Core Electronics (Hardware & System Design )

- Circuit Designing, Assembly Simulation(using Proteus and Multisim).
- ROS & MATLAB Programming.
- Microcontroller Knowledge :System Design, Building Application Embedded C Programming (8051,AVR,PIC, ARM based)
- PID Tuning and Drone Aviation.

### Software Programming

- Android App Dev. Using Java, Kotlin.
- Full Stack Web Dev
- Highly Proficient in C/C++, Data Structures .

### Latest Cum Niche Technologies

- Machine Learning & Deep Learning algorithms.
- Computer Vision (Open CV)
- IoT & Sensor Technology
- Robot Design .
- Cloud Services (AWS,Azure,GCP).
- Information Security (PEN Testing , Vulnerability Assessment , Bug Hunting)for websites & android apps.
- RPA
- Image & Speech Processing.

## MESSAGE FROM THE DIRECTOR

**Brig Abhay A Bhat (Retd)**  
M Tech, MPM, B Tech, FIETE

Past 18 months have been unprecedented in the history of mankind. Education has been one of the most affected sectors, where the entire community of students were away from the campuses, remained locked up at their homes and were being delivered education only through online means. It has been challenging not only for the students, but also for the faculty and management of AIT. AIT faculty and students, both rose to the occasion and responded outstandingly. They have willingly and innovatively adapted to the new normal. Teachers ensured that all teaching activities including virtual labs, projects, assignments etc continue to be performed in a timely manner, while the students themselves kept the AIT spirit going, through plethora of online activities and competitions.

Over the last 27 years AIT students have developed a reputation of academic brilliance, entrepreneurial spirit, well rounded personality as well as being socially responsible citizens. Our well networked alumni amply exhibit these characteristics of a typical AITian. We have over 50 successful alumni entrepreneurs and many others assuming leadership roles in Industry in India and abroad. Few of these alumni have been closely associated with the AIT entrepreneurship Cell. You will find a small section in this brochure. about this E-Cell which has launched a mission to encourage and promote students start ups in last two years.

Despite the lockdowns and members of competing teams, spread over all parts of the country, AIT students continued to win competitions, hackathons and individual accolades. AIT has maintained a very high position in national rankings and attract industry leaders to the campus. For that matter our performance in campus placements for the 2020-21 batch has exceeded our own expectations with over 91% placements and an average salary jump to over Rs 9.45 Lakh. It is for the first time in our history that Microsoft has recognized our students' potential, assuring placements to six of them, and interning more than ten from the batch of 2021-22.

During these challenging times our industry partners stood firm in support of us and showed tremendous flexibility by conducting all the placement and related activities online. Many of them also conducted training sessions for our students online, which immensely benefitted them. We thank them for such initiatives and are convinced that such collaboration is mutually beneficial and AIT will remain strong in its resolve to march "ONWARD TO GLORY"

## MESSAGE FROM THE PRINCIPAL

**Dr B P Patil**  
**BE, ME, PhD (Electronics Technology)**

AIT has been always ranked in Top 100 colleges by various ranking agencies. AIT is one of the best private professional colleges under the umbrella of Savitribai Phule Pune University. Institute done very well at various front due to the insignificant contribution and efforts of staff, management and students.

Students of AIT are one of the preferred candidate by industry because of the nature of adaptability, strong communication skills and agile in nature. Institute takes various steps to imbibe best personality and leadership skill in students by conducting various required sessions.

For all round development of students' number of event related to co and extra-curricular activities are conducted in AIT. As result of this students are bringing laurels in number of Hackathons, technical competitions and in sports at national level. Students are encouraged to do internship, which help them to be ready for day one commitment industry.

AIT is always willing to interact with industry and outside world. This helps institute to bridge the required gaps. Institute has done number of MoU with industries and institution of repute.

During this pandemic all staff and student shown wonderful performance inspite of several difficulty, this shows the capability of institute and students to do well in difficult situation also.

Onwards to Glory!

## MESSAGE FROM THE TRAINING & PLACEMENT OFFICER

**Prof M S Khaladkar**  
M.E. Electronics

Dear Corporate,

It's about a year and a half ... we are fighting with this pandemic .When last year's campus placements were started, we had doubts in mind about the future of 2021 batch. However, it was completely a turn around. Because of your continued support and faith on AIT, a brilliant performance by the candidates, the skill sets acquired over four years by exploring themselves and finally the efforts taken by the institute gave us fantastic results. We registered 91% placements with average salary of 9.45 LPA and Median Salary of 7.6 LPA. This is the highest achievement in the history of AIT.

When the Going gets Tough ..... The Tough get Going.

The challenge is not over yet and it looks that this year will also see a virtual campus process across all the domains. Last year 20 new and well honored industries visited the campus taking the tally to 80 employers.

Excellent Campus placements is the sum total of many factors like training, reaching out to maximum industries, connecting for suitable and valid cause, establishing a long term connect with Industry through multiple avenues. Though we are trying our best, it is a humble request to come ahead and suggest an innovative approaches and methods to collaborate for mutual benefits.

We at AIT, are committed to build the young careers with innovative mind set , high technical skills and right approach in behavioral thinking .

You are requested to reach out to us for the future interaction and we are confident ... Together , we can do the Best for the wards of Army persons and helping India to be ahead in the post pandemic era !

Onward to Glory and Jai Hind !!
