

**NITISH RAI, AIT ALUMNUS (MECH 2009) ENTREPRENEUR
CEO, FREIGHTFOX**

Explaining the concepts of his business model to Hon PM OF INDIA

FreightFox was the winner of National Logistics Hackathon organized by NITI Aayog and NLDS (National Logistics Data Services Limited) among 543 companies PAN India.

FreightFox was founded in 2020 by AIT alumni Nitish Rai, CEO (Mechanical Engineering 2009), Manjari Sharma CPO (E&TC 2004), Sandeep Mukhopadhyay CTO (IT 2007) with Vikas Singh COO and Co-Founder, Alumnus of Sardar Patel University.

It was an absolute pride and pleasure in watching AIT Alumnus Entrepreneur Nitish Rai (2009 Mechanical Engineering), explaining the concepts of his business model of FreightFox to Hon PM of India during the launch of National Logistics Policy on September 17, 2022.
