Conduct of In-Semester Backlog Examinations for First and Second Year Engineering Students
(2019 Pattern)

Reference:

This office's letter No. Exam-Coordination/763 dated 25.09.2025

Dear Sir/Madam,

Please refer to the above-mentioned letter. As per the earlier communication, the In-Semester Winter 2025 examinations for backlog students of First and Second Year (2019 Pattern) were to be conducted at the college level during the period from **06.10.2025 to 11.10.2025**, and students were to be informed accordingly.

However, in the meeting of the University Authorities held on **28.09.2025**, a revision to the earlier decision was made. It has now been decided that these examinations will be conducted **at the University level** instead of the college level.

Hence, you are requested to take note that the schedule for conducting these examinations at the University level will be communicated to you shortly.

Thank you.

Yours sincerely,

(Prof. Dr. Prabhakar Desai)

Acting Director

Board of Examinations and Evaluation
