

DIRECTOR'S SECRETARIAT

NOTICE - 35/2025

INTERRUPTION IN WATER SUPPLY

1. There is a shortfall in water supply from MES to AIT since last 15 days. The water supply from Khadakwasla Lake through PMC has not been coming to collection point at TB II. Only water source active is through PCMC. There is scarcity of water in complete BEG & Centre, Khadki and supply is restricted to 20% of water demand.
2. In view of the above, all students and staff staying in campus are requested to use water judiciously. In no case, wastage of water is acceptable and it will cause more problems to fellow students. This is also applicable to all residents in the campus and transient population during day time.
3. All efforts are being made to get maximum water from MES. Even water supply is supplemented with water tank on required basis.
4. **Sub Maj Kumar Sakpal, Maint I/C Only.** Please regulate water as per availability. Advance planning be made for provision of water through tankers after taking approval from the Joint Director.
