TENDERING ENQUIRY FOR PROCUREMENT OF UNIVERSAL TESTING MACHINE IN MECHANICAL ENGINEERING DEPARTMENT

Sir.

1. Army Institute of Technology, hereinafter referred to as Customer, is interested in procuring Universal Testing Machine in Mechanical Engineering Department.

(a) Only the enclosed formats (Appendix 'A' to 'C' and its Annexure) in original will be used. All sheets will be submitted duly affixed with the Companies stamp and signature of the authorised signatory of the company. Additional sheets, duly authenticated, may be attached to elucidate specifications or clarify specific issues.

(b) Costs indicated in offer for each item should be the landed cost of the item, giving break up of basic cost of item, excise, all types of taxes specified separately, levies and freight etc.

(c) Cost per unit item considering all the taxes as well as the total costs for the full quantity to be supplied will be indicated.

(d) Technical and commercial offers will be submitted on specific formats enclosed with this tender document in separate envelopes marked "**Technical Offer**" and "**Commercial Offer**" for PROCUREMENT OF UNIVERSAL TESTING MACHINE IN MECHANICAL ENGINEERING DEPARTMENT respectively.

(e) Only OEMs or their authorised representative shall quote on behalf of the OEMs. The products being quoted will be OEMs products except where specifically stated in the tender enquiry. If the bidder is not an OEM then a letter from the OEM is required in the format enclosed in Annexure-I of Appx A.

(f) Incomplete tender is liable to be rejected.

2. **Delivery Schedule.** Supply of items within 4 weeks of placement of supply order with necessary installation.

3. **Acceptance Testing.** The systems supplied will be subjected to detailed acceptance testing procedure to test individual components and successful integration of all components in Network. Modalities of the test may be worked out jointly by vendor and the customer. Specifications of the systems supplied shall be checked for the conformity with specifications given in the supply order. The customers would issue an Acceptance Certificate on successful completion of acceptance testing. The date of issue of Acceptance Certificate shall be deemed to be the date of commencement of warranty.

Payment Terms

4. Payment terms shall be as under: -

(a) 100% payment on receipt of stores in good condition, verification by a Board of Officers detailed by AIT and on producing **performance bank guarantee of 5%** on Supply Order amount.

(b) In case of Purchase done through custom free payment through CIF, Mumbai payment terms as agreed between the vendor and customer as per laid down norms for such purchase.

5. **Liquidated Damages (LD).** If the vendor fails to complete in full all deliveries within the stipulated period, in accordance with the, supply order, the vendor shall pay to the Customer AIT, liquidated damages, at the rate of one percent (1%) of the total value of project cost, for each complete week or part thereof for delay up to a maximum of ten percent (10%) of the value of supply order. Thereafter the Customer will have right to terminate the supply order in case or such delay beyond 6 weeks, and the Customer would have the option to buy the equipment and implement the project from the market at the vendors risk and cost. The mode and method of such risk purchase would be at the total discretion of the customer.

6. **Method of Payment of Liquidated Damages.** The amount charged as liquidated damages shall be deducted by the Customer from the amount due for payment to the Vendor. If the amount of such LD exceeds the payments due to the vendor, the vendors shall within 30 (thirty) days make payment to the customer in full and final settlement of claims failing which the Bank Guarantee will be encashed to make good the amount exceeding the payments due to the vendor.

Warranty and Maintenance Backup

7. **Warranty.** Vendors will provide free onsite comprehensive warranty for the complete systems for a minimum period of three year onsite or higher as provided by OEM. During the warranty, the vendor will repair/replace without any cost any equipment/part/accessory, which becomes, defective. During the warranty period all warranty benefits received by vendor from the OEMs, for any equipment pertaining to third parties will be passed on in to the Customer. The Customer may invoke the bank guarantee in case vendor fails to ensure rectification of defects within one week of the defect being intimated. Vendor will ensure 99% systems availability during the warranty period. Items of consumable nature that may not be replaced free on account of

defect/malfunction must be specified clearly in the offer. Failure to provide this Information shall be treated as all items components consumables are covered under warranty.

8. **Maintenance During Warranty.** In order to ensure functionality of equipment supplied during warranty period, vendor shall provide maintenance. Maintenance should be onsite. Customer may approve if any equipment is required to be move out of site for repairs at the request of vendor. On site vendor will carry out preventive maintenance once in every 2 months.

9. **Maintenance Beyond Warranty Period.** In order to ensure functionality of system during the life time (Three Years) vendor shall guarantee to provide spares/component backup support and system support for this entire duration. Vendor will provide the following: -

Ensure availability of spares, components of equipment supplied, during the life time of Seven Years of the equipment which may be bought by customer as and when required on termination of warranty period.

10. **Conditions during Warranty.** The vendor should fulfil following conditions during the warranty :-

(a) Any failure in the system or a subsystem there of should be rectified within a maximum period 48 hours of lodging a complaint.

(b) If the equipment is down beyond 48 hours, penalty at the rate of Rs 500/- (Rs Five hundred only) per day will be charged or recovered out of the Bank Guarantee held towards the warranty. In case of equipment being down for more than seven working days, Customer has the option to get it repaired from any suitable agency at the risk and cost to be borne by the vendor, which will be deducted from the Bank Guarantee due to vendor.

(c) Equipment failing at three times within a period of three months or displaying chronic faulty behaviour or manufacturing defects or quality control problems will be totally replaced by the vendor at his risk and cost within 30 days of being intimated.

Submission of Offers

11 You are requested to indicate the acceptance of the above offer based on the terms and conditions as given out in the aforesaid paragraphs and anywhere in the tender documents as per **Appx 'C'**.

12. You are requested to submit your offers as technical and commercial offers, will be in separate envelopes marked 'Technical Offer' and 'Commercial Offer' respectively. Certificate to be signed, and stamped by authorised signatory of company is also to be attached as per **Annexure I to Appendix 'A'**. Technical offer should contain **Appendixes 'A', 'C'** including Annexure and all relevant technical document and commercial offer will consist of **Appendix 'B'**.

13. Once the supply order is placed, it will be the vendor's responsibility to make the project functional. Any additional cost incurred in installation and for which the vendor has not bid at the time of submission of the final offer will be borne by the vendor.

14. Make and model will be specified for all items being offered. Complete technical specifications and literature will be attached with the Technical bid. Vendors shall provide list of your customers with details in Maharashtra, using nearly similar specification UTM.

15. Any offer received incomplete or ambiguous is likely to be rejected at the discretion of the AIT without recourse to further clarifications. AIT also reserves the right to seek clarifications with one or more vendors if deemed necessary and also not accept any offer at all in case they are not reasonably priced.

16. Any conditions/terms given in the technical or commercial bids by vendors will not be binding on the AIT, Pune. In case the product specifications called in tender are not available technical specification set out in the tender may be changed at the discretion of the customer. The decision of the customer in deciding the technical specification shall be final. All the terms and conditions for the supply, delivery, testing and acceptance, payment, warranty, uptime, penalty will be as given herein and no change in any term or condition by the vendors will be acceptable. Alterations, if any, in the tender documents should be attested properly by the vendor failing which the tender will be rejected. Vendors will not make any assumptions while submitting their bids. If required, clarifications will be sought prior to submission of bids.

17. Withdrawal of offer by vendor after opening of commercial bids shall render the vendor unreliable and out right debar him from attending any further transaction/ negotiations without giving any reason thereof. Proceeding shall be initiated by customer to black list the vendor on this account.

18. Vendors/authorised reps of vendor shall be required to attend the Technical Evaluation Committee (TEC) meeting and Price Negotiation Committee (PNC) meeting. Date and time of such meetings will be intimated from time to time by customer. TEC/PNC reserves the right to disqualify the vendor, due to non-attendance of 'any' of the meeting by the vendor or his representative.

19. All hardware items for which excise duty is applicable at varied rates shall be specified distinctly, in the commercial bid Vendor shall be responsible to produce excise duty and other duty levy certificates in respect of all such items, whether manufactured by the vendor or otherwise.

20. Terms and conditions for the procurement are attached as **Appendix 'C'**. The details of similar project executed by vendor in various Govt/reputed firm may be enclosed. These will be signed by the authorised company representative and stamped with the company stamp.

21. You are requested to send your best offer to the office of the undersigned by 06 Feb 2018. Any offer received after this date will not be considered. A tender fee of Rs 250/- by cheque in favour of Army Institute of Technology to be enclosed.

22. Please ensure that this is your best and final offer.

(Note. Vendors will submit their technical and commercial bids on the original tender document including appendices and annexure. Photocopies will not be accepted).
