

To  
**The Director**  
**AIT, Pune**

### **LETTER OF GRATITUDE**

1. My daughter, Shriya Nagrath is an AIT alumni, she passed out last year. My respect for AIT has grown over the years. I would like to place it on record that the academic environment and overall grooming provided by AIT is unparalleled. The love and care provided in the college and in the hostel will always be remembered by us.
2. Lately, I had wonderful experience with AIT. There was an oversight in Pune University documents in respect of my daughter. Her name was appearing incorrectly on all her University marksheets. She managed to get it corrected for the first three years. However, the correction in the fourth year marksheet and final transcript got caught in the COVID lockdown. We had been trying since Mar 2020. The deadline for the forms for her MS admission was 15<sup>th</sup> Nov 2020 and the University staff were not accepting the request form for correction.
3. As a last resort, on the evening of 27<sup>th</sup> Oct 2020 my daughter requested the Director for help. Team AIT rose like one to help their ex-student who had passed out of the college in May 2019. By late evening we were informed that an official in charge of Exam Cell was assigned the task of doing the needful. He would personally visit the University and get the documents corrected.
4. To our surprise, by mid-day the very next day the corrected marksheet and transcript was in our hands. It seemed like an operation undertaken by a well-oiled machine called team AIT which would surprise any alumni or parent anywhere in the world. Kudos to team AIT. Thanks to The Principal, The Director, Joint Director and Sh Ashok who went out of their way on an issue which was not related to them nor under their direct control.  
Thanks once again to Team AIT.  
With warm regards.

Yours Truly  
Col Sandeep Nagrath  
Father of Shriya Nagrath  
Alumni AIT
