Subject: Experience with fellow AITians  
To: Director AIT <director@aitpune.edu.in>

Dear Sir,

Hope you are doing well.

I am an AIT Alumnus 2000 E&TC batch. I got your details from Dr. Oza ma'm. I wanted to share something I experienced personally with you. We hired 8 CS graduates for 2019 batch for our company. 6 were from top NITs and 2 from AIT. I wanted to congratulate AIT for producing best engineers and share my experience here.

AITians have mostly surpassed all NIT students we hired in research and technology development work. The problem solving skills, thinking out of the box, independent working etc are some of the excellence areas. The excellence comes not just in technology but also in attitude. I am from AIT and can understand the reason behind it.

I wanted to congratulate you and entire AIT staff on producing best engineers in the world. We have decided that from next time we will only hire from AIT.

I am sure, you may have heard this from other companies as well. For me it is a proud feeling to be an AITian. God bless AIT!

--

Best regards,  
Baljit
