

## REPORT – ALUMNI MEET 2015

1. Alumni Association of AIT has celebrated 21 year reunion at AIT on Saturday, 19 Dec 2015 with the active support of Alumni Co-ordination Cell (ACC) comprised of Executive Secretary, students from pre-final year, faculty representatives and support staff. 150 to 170 alumni attended the function through number of events planned throughout the day. List, as per registration records, is enclosed herewith.
2. All governing council members and senior alumni were present and instrumental in sharing their experiences and thoughts with their alma mater. Most noteworthy contributions were from two alumni, Mr Preetpal Singh (2002 Comp), Founder of Hashmap Inc who has extended the sponsorship of 2000 USD (Rs 1,32,640/- @ 66.32) for this event. Mr Raveen Janu (2006, IT), UN Security Associate, United Nations (UN) has also sponsored Rs 5,000/- for the meet.
3. Two key note addresses from the above alumni were organized for SE, TE and BE students. Mr Preetpal Singh has delivered a talk on 'Algorithm to Dollars' – How to Develop Talent for Professional Success for Comp/ IT students. He stressed on need of developing problem statement first and then thinking about technology. Internet of Things (IoT) was also the other half of this speech.
4. Mr Raveen chose a subject – "Non-conventional Careers after BE". He spoke about career opportunities in Govt organization, environments, terrestrial army etc. This session was exclusive for E&TC/Mech. Mr Pawan Yadav (2003 Mech), Manager, Fiat Chrysler Automobiles and author of 3 books, also presented his thoughts on the subject 'Power of an Idea'. It was regarding innovative state of mind, idea generation and way of thinking.
5. In the main program, Shireen Pasricha (TE Comp), ACC Member welcomed all alumni, staff and students followed by lighting of lamp. A short film prepared by students created nostalgia among alumni. Dr BP Patil, Principal delivered a presentation about achievements of AIT during last year where in appeal for seed money was also included. Director, through video message, welcomed all alumni and elaborated the changing demands of India Inc.
6. Mr Preetpal Singh, Founder of Hashmap Inc and Mr Raveen Janu, UN Security Associate, United Nations were felicitated for their contribution towards Alumni Meet. Mr Pankaj Singh, 2010 Mech was also felicitated towards his contributions towards Alumni Association for organizing the meet.
7. Following student teams were also felicitated for their achievement in Engineering field:-
  - Pune Digital Hackathon Team
  - Intel IoT Roadshow Team.
  - 3DPLM Software Akriti 2015 Team.
  - Bangalore Hackathon Team.
8. Mr Akshit Vijay, BE E&TC student presented an outline of his new product 'Home Automation' which is going to attract very good market in coming years. This project aims to ensure security of home which can be operated from anywhere. He requested help of alumni in carrying out this project by technical guidance/ suggestions etc.

9. AIT has signed a MoU with Impeccable Research Labs, a joint venture of Anil Kumar Dahiya and Ankur Mattoo (both 2004 Comp alumni). This MoU is in the area of technical training.

10. Prof MS Khaladkar, Executive Secretary of Alumni Association, addressed the gathering wherein he highlighted the role of alumni in branding of AIT as a life time brand ambassador and importance of core skills and fundamentals. This was followed by Open Discussion and following points came up for the discussion:-

- Need of connectivity among students (Bond between FEs to BEs).
- Short circuiting knowledge and networking game.
- To find ragging proof solutions for student connectivity.
- Regarding core job – Alumni were of the opinion that nothing exists like core job. Knowledge is the basic thing and we can choose job as per our choice and prepare accordingly.
- Need of more paper presentations.
- Alumni were asked to conduct session for students on technical subjects.
- Mr Nishant Pandey, 2001 E&TC mentioned that mentors list is not to be prepared and allotted to students. Instead, students should find their mentors among seniors through student connectivity. Raveen Janu was of the same opinion that for mentorship, personal connect is needed and no need of assigning specific mentor to a student.

11. After lunch, departmental interaction and project presentation were carried out in respective departments. A number of good technical innovative ideas were discussed.
