**Bachelor of Engineering**  
from Pune University  
Graduated 2000

**PRINCE 2 Practitioner**

**Certified Scrum Master**

**ITIL Foundation  
Certified**

**Agile Project Manager  
Practitioner**

**PMBOK and BABOK  
courses**

## Key Career Achievements

Major Business and  
Technology Cloud  
Transformations

TSM, ITOM and CRM  
implementations and  
transformations

6 Sigma deliverables

Offshore establishments

CCTV for an entire City

Loyalty Systems

Tap and Go (contactless  
payments) system in  
Australia

Core Banking  
Replacement

**Program Manager** at University of Melbourne, Melbourne  
June 2018 – February 2019

Managed the Appirio delivery of the complete Salesforce  
implementation for the digital transformation at the University.  
Managed entire customer journeys (team size 30).

**Senior Project Manager** at Department of Veterans' Affairs  
and Department of Human Services  
March 2017 – May 2018

Delivered process improvements by transforming (legacy to cloud  
based) case management system of the Veterans' Review Board.

## Alok Joshi

350, Parsippany Road, Parsippany, NJ 07054

Cell: 862-217-7066; alok.joshi@novartis.com

### BRIEF

- 10 years of successful industry experience across many functions including Strategy & Operations, business analysis, lean thinking, sales force effectiveness and dataanalytics/reporting
- Strong business acumen and effective team leader with ability to be 'hands on' and manage multiple projects. Proven expertise in translating strategy to outcomes while ensuring positive end user experience
- Demonstrated ability to collaborate and gain team consensus in a matrix environment- Building high performing teams and trust among stakeholders
- Cross Functional launch Experience with 3 Launches (Mayzent, Aimovig and Kesimpta) for Neuroscience Franchise.
- Six Sigma – Green belt certified. Program leader for process improvement and lean thinking for the Pharma sales operations group

### PROFESSIONAL EXPERIENCE

Novartis

Aug'18 - Date

#### Associate Director, Sales Operations, Neuroscience

- Reporting to the VP & Head of Sales Neuroscience, responsible for defining analytically-backed strategies and optimizing initiatives to deliver sales growth Goals.
- Support Field & Field leadership in business planning and execute critical field initiatives ensuring seamless cross functional/organizational alignment by working closely with Commercial Operations/Marketing/Patient Services/Compliance and Training teams.
- Responsible for designing and implementing business processes to enable launch planning, resource allocation and portfolio maximization
- Responsible for field communications and meeting planning (Townhalls, Field Calls etc.), performance monitoring and reviews, driving business excellence, managing ad-hoc business needs and day-to-day business operations for the Neuroscience franchise
- Supported Launch brands in NS franchise (Mayzent, Aimovig and Kesimpta) in the areas of segmentation, Size & Structure, Field force Hiring, alignments and Targeting
- Closely working with Neuroscience Marketing team to ensure field input is accounted in all Marketing initiatives (Core Visual aid, Product Information, P2P and Digital Multichannel marketing)
- Expert in designing and monitoring KPI's on Sales performance & execution and updating field leadership with weekly insights.
- Successfully led the planning and execution of Mayzent Launch and Sales meeting in Chicago-2019. Also, led the planning of Ofatumumab Disease State meeting in San Diego – March 2020, recently led and successfully executed the Kesimpta Virtual Launch meeting involving ~600 attendees.
- Improved IC reporting (redesign of MIR and GIR) and communication to field to further understanding of the IC plan
- Awarded the Neuroscience MVP (Most valuable Player) for 2019

Novartis

Sep'16 – Jul'18

#### Reporting and Analytics Lead, Oncology + Pharma (Field analysis and Reporting)

- Experience building centralized analytical operations team across Novartis Oncology and Pharma
- Improved customer experience by building RAPID for all US business units (Oncology, Pharma and Sandoz) to deliver sales analytic solutions with a strong focus on quality and subject matter expertise
- Analytical support to Oncology sales leadership (EBD's) to help them create business plans
- Increased field force productivity and effectiveness through greater focus on lead indicators of sales and pull through on execution – One stop shop reporting for all of Novartis - **RAPID**.
- Designed OBU and Pharma wide PEC (Pharma Executive tracker) to track lead indicator of Sales.
- Managing customer experience (buy-in), sales analytics/ operations delivery quality and timeliness
- Process optimization, territory alignment, and sales compensation administration
- Improved field productivity and ownership by tailoring the call plan as per local business needs, led the CP&T engagement for pharma business units
- Enriched brand market planning and FLM business review process with local insights – **Presented at PMSA 2018**
- **Managing customer experience (buy-in)**, sales analytics/ operations delivery quality and timeliness
- Received OBU Excellence Award 2016 and PLS Excellence Award 2017

Novartis

Manager, Sales force operations, PLS - India

Aug'13 – Aug'16

- Designed an automated framework for calculating incentives and payouts for the sales reps and line managers using SAS, Javelin (SQL based ETL Tool) and VBA. The payouts and scorecards were delivered on a monthly basis
- Apart from running sales operations and adhoc analysis, implemented changes and worked on automation for multiple teams for improvising the process that significantly improved the timeline and accuracy
- Designed and built an excel based dashboard for UK Oncology to track and analyze territory and reps activity (Quality, Target, Quantity) on a weekly basis
- Led trainings on various analytical tools like VBA, SAS to build skillset across the function for process efficiency
- Served as a key member of associate recruiting team and conducted interviews on a regular basis
- Received Employee of the Quarter three times from Aug'14 – Aug'16

Mu Sigma

Senior Business Analyst, Bangalore, India

June'11 – July'13

- Developed an automated framework for one of the largest telecom corporation to effectively forecast sales & other key metrics considering factors like price change, promotional ad placement, competitor pricing, inventory, advertisement spend
- Worked on developing a line orders forecasting tool for a multinational telecom company to achieve higher forecasting accuracy and reduce manual effort behind generating the forecasts every month.
- Helped a US based pharma client in analyzing the geography trends of various drugs and also helped them in understanding the performance of portfolio drugs in overall market.
- For a US based pharma client we developed a methodology to evaluate & track the performance of the sales reps. The methodology is also used to incentivize the reps on a weekly basis

Hello Sir ,

Extremely sorry for the delays !

As we had discussed on call regarding a session for TEs on ZS Campus Beat 2022 . It would be really great , if we can have a session on Saturday (12<sup>th</sup> March,2022) morning for giving students a kick start to preparation on Campus Beats and placement support . I have attached the Campus Ambassadors List for your reference.

Below is the mail we can post on our official Facebook group or mail IDs and spread it across the batch along with the meeting link for Saturday .

---

Howdy AIT ,

Hope you all are safe and healthy !

I am proud to share it that I have been chosen as the Campus Ambassador for "**ZS Campus Beats 2022**" .
