AIT Alumni Meet 2023

Saturday, 23rd Dec 2023,
11:00 am (IST)
Add to Calendar
AIT , Pune
view on map
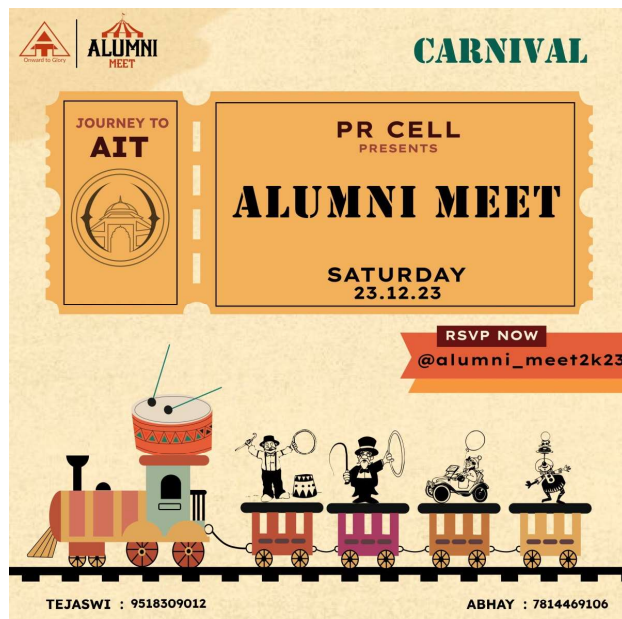

With beautiful pansies and petunias in full bloom, majestic falcons and flamingos soaring the sky, and the festive spirit running high!

It will be that time of the year again,

When old friends, good food and sweet memories take the reins!

So, mark your calendars! Add to the end-of-year celebrations!

On 23rd December, AIT Pune brings you the Alumni Meet 2023.

A chance to meet the people who make you sing

"यारी है ईमान, मेरा यार - मेरी जिंदगी!"

A chance to revisit the golden years, reminiscing on the "good old days", the pranks you played and the friends you made.

Remembering the foundation you laid, so carefully, so meticulously, on which you stand tall and look to conquering new horizons.

We eagerly look forward to your company on the day we celebrate your time in AIT, and revel in the carnival of your golden stories.

REPORT OF ALUMNI MEET 2023

The National Alumni Meet of the year 2023 unfolded at AIT Campus on December 23rd, with a remarkable turnout of approximately 200 esteemed alumni. The Manekshaw Hall witnessed the commencement of the event at 11:00 am with the opening ceremony. Prof. Manoj S. Khaladkar, Executive Secretary of the Alumni Association, inaugurated the proceedings, followed by Mr. Amit Agarwal, Secretary of the Alumni Association, who shared his insights.

In a strategic move to harness alumni contributions effectively, each Head of the Departments presented the achievements and highlighted areas where alumni support could be instrumental. Detailed presentations from various departments are attached herewith for reference.

The event featured presentations from the Student Club Secretaries and Faculty in charge of key clubs, including the E-CELL, OSS (Open Source Software) Club, and CEAR (Centre of Excellence in AI and Robotics) Club, showcasing their achievements.

A special session on 'Yoga' was conducted by Alumnus Lakhvinder Singh, a 2013 Mechanical graduate. Dr. B P Patil, the Principal of Army Institute of Technology, addressed the gathering, sharing his thoughts, and Brig Abhay Bhatt, the Director of Army Institute of Technology, concluded the formal sessions by expressing his views and urging alumni for continued support.

The Raman Theatre hosted a cake-cutting ceremony to commemorate the 25 years since the graduation of the 1999 batch, with Mr. Pranav Bairagi (1999 E&TC pass out) as the coordinator. A group photo session and a celebratory lunch followed in the Raman Theatre.

The afternoon session saw prominent clubs setting up stalls, including CEAR, OSS, ISDF (Information Security and Digital Forensic) Club, R&D Club, DDQ, GDXR (Game Development and Extended Reality) Club, and EV Club. Alumni actively engaged with students during these Club stall visits, with departmental interactions organized later in the afternoon.

Sports enthusiasts among the alumni participated in specially organized events, including Basketball, Lawn Tennis, Football, Volleyball, Cricket, Table Tennis and Badminton. The day reached its pinnacle with a grand cultural show presented by the DDQ club, featuring plays, singing and dance performances by both students and alumni, eliciting an overwhelming response.

The event concluded with a Dinner & Social at Gurnam Lake, providing a relaxed and social setting for further interactions among the alumni. The National Alumni Meet of 2023 at AIT Campus stood out as a memorable and successful occasion, fostering stronger connections among Alma Mater and its distinguished alumni.

Appeal to contribute

- Business Case studies
- Internships
  - In your firm or connect to other industries
  - We can create a fund also to build the ecosystem of Internship in college
    - To solve your problem definitions
    - Or sponsorship for the problem from students
- Placement Support
- Infrastructure requirement (Hardware and Software) for PG
- Recommendation to Join the course to alumni or any other from your contacts.

We Are Eligible Now to start PhD Research Center in Computer Engineering, same ecosystem we can use for Research center also

PRACTICING EXERCISE OF GROUP PLANNING

Exercise 1
PICNIC AT BANA

You are a group of Medical students, coming from Bana to picnic spot by bus for enjoying swimming at Chilka lake. While enjoying swimming, your one friend becomes unconscious as she had drunk water too much. You all bring her on a tea shop. As all you are thinking what to do, A villager comes to you and informs you that the idol of temple which was made of gold, had been stolen by pujari and ran away to Juna. So the villagers are going to protest at Police Station. And suddenly the boatman comes to you and requests you to help him in repairing of boat because it is the only way for him to earn his livelihood. Nadgram, Rjapur , and Baniganj are three villages. You all have to reach your collage hostel by 7:00 PM. Time now is 1:00 PM

Campus Beats 2024 is here!

Campus Beats <campusbeats@zs.com>
Tue 12-Mar-24 8:05 PM

Dear Training and Placement Team,

Thank you for your support during our successful 2023-24 campus hiring season.

We're delighted to share that Campus Beats, ZS's flagship campus engagement program is back. It is designed to offer your students a valuable learning experience and an opportunity to interact with industry experts. The program equips students with skills needed to excel in the upcoming placement season and provides tips for interview process of consulting firms like ours.

Through Campus Beats, we will organize webinars in March/April. These webinars/sessions will help students to delve into the world of consulting, perfect their analytical and technical interview skills, stay up to date with current industry trends and technologies, and engage in discussions with the ZS leadership team.

We are planning to visit your campus in-person to conduct this session. However, this would be basis the number of registrations we receive and basis the availability of the students. We will further connect back with you to finalize the feasible dates for conducting the webinars shortly.

Below is the registration link for this session.

Session title	Unlock ZS – Consulting 101
Registration link	https://www.zs.com/careers/campus-beats
What's in it for you?	Are you worried about cracking the interview rounds for your dream organizations? ZS brings to you a virtual Webinar which helps in prepping for various kinds of interview rounds for the analytics firm along with some live problem solving with the ZS teams.

Requesting you to please share the above registration link with the students. The registration link would remain open until 14th March 2024 till 06:00 PM.

Please help make sure we have maximum registrations, so we can visit your institute and conduct this session in-person.

We are optimistic that your students' participation in Campus Beats will help us strengthen our partnership with your institute as an employer.

Thank you,

Team Campus Beats

Event: "Pune Industry Expo"

Overview of the Event :

Pune Industry Expo 2023 was a three-day event held at the Auto Cluster Exhibition Center. Many companies and startups like Tata Solar Power, HP, CopperCloud etc. were present. The AIT I&E Cell had been invited by CopperCloud. It is an IT and training startup by AIT alumnus Mr. Abhijeet Deogirikar. One of the very first stalls we visited was that of a fire security company which manufactures fire hydrant mechanisms and pipes. We saw various sustainable energy start-ups, and also initiatives by established companies like Tata which are actively working to make solar power more efficient and profitable. We saw that HP has been working on interesting new methods in 3-D Printing.

There was also a section for the defense expo which showcased the contributions of private parties to the armed forces, in matters of logistics, digital security and surveillance, arms production etc. One start-up had worked on a smart watch like device which would notify the nearest paramedic incase the wearer gets injured. Another project was presenting bacterial-algae laddus that would be useful to soldiers posted in extreme weather conditions, and in times of crisis when food and water is rationed.

Attending the Industry Expo was indeed a most exhilarating experience. We got to learn a lot by seeing the ingenious ways that technology moves forward in various sectors of human life, and what the future holds for us, as engineering students.
