

Achievements.

1. The most successful higher education institute of AWES, Army Institute of Technology, receives approx. 3000 applications from army wards each year, who battle it out for the 360 Engineering seats divided into four streams, viz Comp Sc. (120), IT (60), E&TC (120) and Mech (60). With a 30-acre lush green residential campus boasting of every sport and extra-curricular facility, the institute assures a lucrative career for all the students. AIT is ranked 139 in NIRF nationally and has secured its place in the 'Top 60' category in other national rankings.

2. **Placements.** Outstanding placement of AIT students has always been our USP. The placement performance has peaked in 2021-22, with over 95.86% students placed at an astounding average CTC of Rs 13.75 Lakh PA. Devesh Joshi from BE Comp broke all records by getting placed at Amazon (Dublin) with a package of 133,500 Euros (approx. Rs. 1.12 Cr). In addition, 2021-22 placements witnessed unprecedented numbers with 9 students placed at Microsoft with a CTC of 45 LPA and 8 students at Amazon with a CTC of 44 LPA.
