Mark your calendars!
Add to the end-of-
year celebrations!
On 23rd December,
AIT Pune brings you
the Alumni Meet
2023.

- From nostalgic tales to new connections, the alumni spirit is alive! 🎓
- Calling all super BEs, it's time to relive the memories of those 4 years and create new ones!
- Let the news travel 📣, and get ready for a trip down the memory-lane.
- Join us for the most anticipated event of the year – our Alumni Meet 2023! 🎉
- Remember the college days, where friendships blossomed, laughter echoed, and dreams took flight. Where every corner held a story, and every day felt like a chapter in a book of memories. 📖 ✨ Connect with old friends, rediscover campus charm, and celebrate the journey that shaped you into an amazing being.
- We hope you don't miss out on the laughter, nostalgia, and the joy of reunion.
- Board the first flight, catch the running train or drive your way safely for the upcoming Alumni Meet - where memories meet the future, and 'yaad hai tujhe' is how conversations start.
