Southern Star Army Academia Industry Interface' **(S2A2I2) on 12th May 2023**

1. 'Southern Star Army Academia Industry Interface' (S2A2I2), a one-day seminar and exhibition was organized by 'The Regional Technology Node', Headquarters Southern Command in collaboration with the Army Institute of Technology , Dighi on 12th May 2023. The theme of the event was 'Transformation to Atmanirbhar Bharat in Defense Technology'. S2A2I2 was an attempt to exhibit the upcoming technological trends in the defense arena and to promote tangible interaction with the academia and industry/startups to develop indigenous defence technology.
2. The Chief Guest of the inaugural session was Lt Gen AK Singh, AVSM, YSM, SM, VSM GOC-in-C, Southern Command. Lt Gen Sudarshan Shrikant Hasabnis PVSM, VSM, ADC (Retd), a highly decorated, experienced, and accomplished General Officer who retired as the Deputy Chief of Army Staff in the year 2022 also graced the occasion. The event witnessed participation from defense stakeholders, R&D institutes, academia, and private industries. Over 50 delegates and 18 exhibition stalls were a part of S2A2I2.
3. An Exhibition of industries and products as well as startups related to defence Technology was inaugurated by the Chief Guest after the inaugural session. The Exhibition was kept open till 5.30 pm.
